- e) None of these

20) In which state Hamirsar Lake is located?

- a) Gujarat
- b) Haryana
- c) Punjab
- d) Madhya Pradesh
- e) None of these

Answers :

1). Answer: a)

In this technique, thousands of small dots laser etched will be sprayed with a vehicle identification number on all over the vehicle's body including their engines. This tech is

termed as MicroDots and it is almost impossible to remove these dots. Hence, the car's identity can be established at any stage. The government's highest automobile technical standard making body CMVR-TSC (Central Motor Vehicles Rules -Technical Standing Committee) will finalise the rules and its guidelines in the next one or two months.

2). Answer: d)

The government is planning to build 1,911 kilometres of international connectivity roads over the five year period ending 2022 under its flagship Bharatmala scheme.
