Answers :

1) Answer: a)

The Ombudsman scheme was launched under Section 18 of the Payment and Settlement Systems Act, 2007. It would provide a cost-free and expeditious complaint redressal mechanism related to a deficiency in customer services in digital transactions conducted through non-banking entities regulated by the RBI. The offices of Ombudsman for Digital Transactions (ODT) would function from the existing 21 offices of the Banking Ombudsman.

2) Answer: b)

India Meteorological Department is the principle government agency in matters related to seismology & allied subjects .It was established in 1875 and currently works under the aegis of Ministry of Earth Sciences.

3) Answer: e)

NEFT system facilitates one-way cross-border transfer of funds from India to Nepal under the Indo-Nepal Remittance Facility Scheme; a remitter can transfer funds from any of the NEFT-enabled branches in India to Nepal, where the beneficiary would receive funds in Nepalese Rupees.

4) Answer: a)
