Answers:

1) Answer: b)

This smallest paper denomination note from India has travelled through a glorious historical journey all over the world since it was issued for the public. As the argument over the government's decision to scrap high-value currency notes is still raging, our one-rupee note has completed a century! The first one-rupee note was printed in India on November 30, 1917, with the photo of King George V. This was the time when India was under the British rule.

2) Answer: b)

The Cheque Truncation System (CTS) is a process of stopping flow of physical cheque in which an electronic image of the instrument is presented when it comes for clearing.
