Important Banking News

RBI

RBI introduces the Digital Payments Index

- The Reserve Bank of India has constructed a composite **Digital Payments Index (DPI)** to capture the extent of digitisation of payments across the country.
- The RBI-DPI comprises **5 broad parameters** that enable measurement of deepening and penetration of digital payments in the country over different time periods.
- These parameters are
- Payment Enablers (weight 25%),
- Payment Infrastructure – Demand-side factors (10%),
- Payment Infrastructure – Supply-side factors (15%),
- Payment Performance (45%) and
- Consumer Centricity (5%).

RBI makes Legal Entity Identifier mandatory for transactions over Rs 50 lakhs in CPS from April 1, 2021

- The Reserve Bank of India (RBI) has decided to introduce the **Legal Entity Identifier (LEI)** system for all payment transactions of value **Rs.50 crore** and above undertaken by entities (non-individuals) via RTGS and NEFT.
- Real-Time Gross Settlement (RTGS) and National Electronic Funds Transfer (NEFT) are the Centralised Payment Systems operated by RBI.
- This will come into effect from April 01, 2021.
- About LEI :
- LEI is a **20-digit number** used to uniquely identify parties to financial transactions worldwide.
- LEI has been introduced by the Reserve Bank in a phased manner for participants in the over the counter (OTC) derivative and non-derivative markets as also for large corporate borrowers.

Important Monthly Current Affairs Capsule – January 2021

- LEI can be obtained from **Legal Entity Identifier India Ltd. (LEIL)**, which is also recognised as an issuer of LEI by the Reserve Bank under the Payment and Settlement Systems Act, 2007.

RBI unveils guidelines for digital payment infra fund

- The Reserve Bank of India (RBI) announced operational guidelines for the **Payments Infrastructure Development Fund (PIDF) scheme**, aimed at encouraging deployment of more digital payments infrastructure across **tier-3 to tier-6 centres**.
- The PIDF will be operational for three years from 1 January 2021, and may be extended for two more years based on progress.
- An advisory council (AC) under the chairmanship of **RBI deputy governor BP Kanungo** has been constituted for managing the PIDF.
- The fund has a corpus of **Rs.345 crore**, of which **Rs.250 crore** was contributed by RBI and **₹95 crore** by authorized card networks operating in India.

RBI sets up College of Supervisors under former deputy governor to strengthen supervision

- The Reserve Bank of India (RBI) announced in January, it is now fully operationalizing a **College of Supervisors (CoS)** to further strengthen supervision over regulated entities.
- The Cos will be headed by former deputy governor **N S Viswanathan** and will have five other members.
- Other Members are:
- **Arijit Basu**, State Bank of India Managing Director
- **Paresh Sukhankar**, former HDFC Bank Deputy Managing Director
- **S Raghunath** of Bangalore IIM
- **Tadhagatha Bandyopphay** of Ahemadabad IIM and
- **Subrata Sarkar** of IGIDR, Mumbai
- The CoS will have a full-time Director supported by an **Academic Advisory Council (AAC)**.
- The AAC will identify areas where skill building/up-skilling are required, plan and develop curricula of all programmes, benchmark the programmes with international standards/best practices, develop appropriate teaching methods, etc.

RBI cancels the licence of Vasantdada Nagari Sahakari Bank

- The Reserve Bank of India (RBI) has cancelled the licence of **Vasantdada Nagari Sahakari Bank Ltd., Osmanabad, Maharashtra** to carry on banking business, with effect from the close of business on January 11.
- The Bank has failed to comply with the requirements of **Section 11(1)** read with **Section 56 of BR Act** and thus would be unable to pay its present depositors in full in its current financial position.
- The Commissioner for Cooperation and Registrar of Cooperative Societies (RCS), Maharashtra has also been requested to issue an order for winding up the bank and appoint a liquidator for the bank.

Important Monthly Current Affairs Capsule – January 2021

RBI forms 6 Member working group on digital lending as frauds

- The **Reserve Bank of India** has set up a working group to study digital lending activities of the regulated and unregulated players.
- The group will suggest steps to regulate digital lending including online lending platform and mobile lending.
- The six-member panel comprised of four RBI internal and two external members
- Chairman : Jayant Kumar Dash, Executive Director,

- This is the third time that the government has extended the deadline to file ITR first from the normal deadline of July 31 to November 30, 2020, and then to December 31, 2020.
- The last date for filing ITR has been extended for those taxpayers whose filings using ITR-1 and ITR-4 forms are not required to be audited.

Government extends deadline for FASTag till February 15, 2021

- The **Ministry of Road Transport and Highways** has extended the deadline for **FASTags** for all vehicles in India till **February 15, 2021**.
- Earlier, the **National Highways Authority of India (NHAI)** had announced to completely do away with cash transactions for paying toll charges from January 1.
- The new deadline for FASTags to be made mandatory to cross a toll plaza has been set on February 15, 2021.
- The compulsory use of FASTags will help vehicles pass through the toll plazas swiftly, preventing long queues.
- About FASTag :
- A FASTag is an **electronic toll collection system** in India, operated by National Highways Authority of India (NHAI).
- It was launched in **2016** for all four-wheelers and uses radio frequency identification (RFID) technology for toll collection.
- It has now become mandatory for M and N class four-wheelers sold before December 1, 2017, under the Central Motor Vehicles Rules, 1989.
- FASTag is a simple to use, reloadable tag which enables automatic deduction of toll charges and lets you pass through the toll plaza without stopping for the cash transaction.
- FASTag is linked to a prepaid account from which the applicable toll amount is deducted.
- The tag employs Radio-frequency Identification (RFID) technology and is affixed on the vehicle's windscreen after the tag account is active.

- On 1st January Prime Minister **Narendra Modi** laid the foundation stone of **Light House projects (LHPs)** under **Global Housing Technology Challenge (GHTC)**- at six sites across six States, through video conference.
- The projects are being undertaken under the Global Housing Technology Challenge (GHTC).
- The LightHouse Projects will be undertaken at Rajkot in Gujarat, Lucknow in Uttar Pradesh, Indore in Madhya Pradesh, Ranchi in Jharkhand, Chennai in Tamil Nadu and Agartala in Tripura.
- The project will comprise around **1000 houses** at each location along with allied infrastructure facilities.
- It will mainly aim to deliver ready to live houses at a fastened pace within **twelve months**.
- The Chief Ministers of all six states took part in the foundation laying ceremony.
- It has been conceptualised by the Union Ministry of Housing and Urban Affairs.

Important Monthly Current Affairs Capsule – January 2021

- The LightHouse Projects will showcase the best use of new-age alternate global technologies, processes and materials in the construction sector at such a large scale for the first time in the country.
- These houses will be more economical, sustainable, durable and of high quality in comparison to the conventional brick and mortar construction.

- Gujarat Governor Acharya Devvrat, Union Health Minister Dr. Harsh Vardhan and Union Minister of State for Health Ashwini Kumar Choubey were also present on the occasion.
- AIIMS will play a big role in ensuring the modern health care facility reaches to the last mile in the State.
- Under AIIMS project, **201 acres** of land has been allotted near Rajkot.
- It will be built at an estimated cost of **Rs 1,195 crore** and is expected to be completed by mid of 2022.
- The state-of-the-art 750-bed hospital will also have a 30-bed AAYUSH block.
- It will have 125 MBBS seats and 60 nursing seats.

PM Modi inaugurate permanent campus of IIM Sambalpur in Odisha

- Prime Minister **Narendra Modi** will **lay the foundation stone** of the permanent campus of the **Indian Institute of Management (IIM), Sambalpur**, on January 2 via video-conferencing.
- Odisha Governor Ganeshi Lal and Odisha Chief Minister Naveen Patnaik along with Union Ministers Ramesh Pokhriyal 'Nishank', Dharmendra Pradhan and Pratap Chandra Sarangi will also be present on the occasion.
- The ceremony will be virtually attended by **more than 5,000 invitees**, including officials, industry leaders, academicians and students, alumni and faculty of IIM, Sambalpur.
- The institute also outscored all other IIMs in terms of highest gender diversity with **49 per cent girl students** in the MBA batch of **2019-21** and **43 per cent** in the **2020-22 MBA batch**.
- The proposed campus of IIM Sambalpur will be equipped with State-of-the-art infrastructure with energy efficient green features as per **GRIHA standards**.

Important Monthly Current Affairs Capsule – January 2021

- It will be a green campus with maximum usage of renewable energy.
- The project is scheduled to be completed by **April 2022**.

“Disability Compensation” for serving employees, if they get disabled in line of duty : Dr Jitendra Singh

- In a significant **New Year announcement**, Union Minister of State (Independent Charge) Development of North Eastern Region (DoNER), MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, **Dr. Jitendra Singh** informed of the government decision to extend **"Disability Compensation"** for **all serving employees**, if they get disabled in the line of duty while performing their service and are retained in service in spite of such disablement.
- The order will particularly provide a huge relief to young **Central Armed Police Force (CAPF) personnel** like **CRPF, BSF, CISF, etc** since disability in performance of duties is generally reported in their case due to constraints of job requirement as well as hostile or difficult work - environment.
- Pertinent to mention that this new order will remove an anomaly in service rules, considering the hardship faced by the employees, since as per the **earlier OM dated 5/5/2009**, the provisions of disability benefits under **Central Civil Services(CCS) (EOP) Rules** did not provide such compensation to those government servants who were **appointed on or after 1.1.2004** and covered under **National Pension System (NPS)**.
- However, with the new order issued by the **Department of Pensions in the Ministry of Personnel**, the employees covered under NPS will also get benefits under Rule (9) of **Extra Ordinary Pension (EOP)**.
- Accordingly, **Rule 38 of CCS (Pension) Rules** was amended to provide Invalid Pension at **50% of the last pay**, even if the employee had not completed minimum qualifying service of **10 years**.
- In addition to above, in yet another reform in the Pension Rules, a decision was also taken to amend the rule and provide pension at enhanced rate to the family of an employee who died during service before completing the **requisite service of minimum 7 years**.
- As a result, now the family pension of **50% of the last pay** is also admissible to the family of employees who die even before completing 7 years of service.

Petroleum Minister launches missed call facility for LPG consumers in Bhubaneswar

- Union Minister for Petroleum and Natural Gas and Steel Dharmendra Pradhan launched the missed call facility for LPG consumers in Bhubaneswar.
- Indian Oil LPG customers can now give a missed call to **8454955555** for refill booking for all India and for new connection for Bhubaneswar city.
- The Minister also rolled out the second phase of the world class octane100 premium grade petrol, under the brand XP 100.
- The Petroleum Minister said that while about 13 crore people were given LPG connection between 1955 and 2014, now it is about to reach 30 crore, representing a quantum jump there by empowering Indian women.

Important Monthly Current Affairs Capsule – January 2021

- Rolling out the Indian Oil's branded XP 100 to seven more cities including Bhubaneswar, Mr Pradhan said it epitomizes the Prime Minister's vision of Purvoday.
- "In the line Modi's vision for a Digital India, the missed call facility will play a crucial role in making LPG more easily accessible to the consumers.
- The Petroleum Ministry has always strived to improve customer convenience and this facility by IndianOil will play a crucial role in making LPG more easily accessible.

'Davai bhi, kadaai bhi' - modi gives new mantra in New Year

- Prime Minister Narendra Modi laid the foundation stone of All India Institute of Medical Sciences (AIIMS) at Rajkot in Gujarat through video conferencing.
- Addressing the occasion, the Prime Minister said if 2020 was the year of **health challenges**, **2021** is going to become the year of health solutions.
- He stressed, India will play a major role in the health solutions as it played in meeting the challenges of 2020.
- PM Modi said that the new year is "**coming with the hope of treatment**" He said he used to say 'jab tak davai nahi dhilai nahi' but now the mantra for 2021 should be: '**Davai bhi, kadaai bhi**'.
- Mr Modi said, his government started working holistically in the health sector focusing on preventive care as well as modern treatment facilities.
- He said, over Rs 30,000 crore of poor's money has been saved due to **Ayushman Bharat Yojana**.
- This scheme has freed the people from the struggles of good treatment due to lack of money.

- **29 National winners** will get an opportunity to speak before the National Jury comprising of Rajya Sabha MP Roopa Ganguly, Lok Sabha MP Parvesh Sahib Singh and eminent journalist Prafulla Ketkar.

Govt issues guidelines for renewal of International Driving License while travelling abroad

- **The Ministry of Road Transport and Highways** has issued a notification to facilitate the issuance of International Driving Permit (IDP) for Indian citizens whose IDP has expired while they are abroad.
- There was no mechanism for its renewal while citizens were abroad and their IDP expired.
- After this amendment, Indian citizens can apply for renewal through Indian Embassies and Missions abroad, from where these applications will move to the **VAHAN portal** in India, to be considered by the concerned **Road Transport Officers (RTOs)**.
- The International Driving Permit will be couriered to the citizen at his or her address abroad by the respective RTOs.
- The Ministry said that the notification also removes the conditions of a Medical Certificate and a valid visa at the time of making the request for the IDP in India.
- The idea is that a citizen who has a valid driving license should not have a requirement for another medical certificate.
- Further, there are countries where the Visa is issued on arrival or Visa is issued at the last moment and in such cases, VISA is not available when applying for the IDP in India before travel.
- Therefore, IDP applications can now be made without **VISA**.

Important Monthly Current Affairs Capsule – January 2021

- IFFI takes place in Goa from November 20-28 every year, but has been postponed due to the Covid-19.
- A total of 224 films will be screened at the 51st IFFI under different sections.

Germany passes a bill - large companies to appoint women in executive boards is mandatory

- German-listed companies must include women on their executive boards as part of a landmark bill agreed by the country's coalition government on Wednesday after voluntary efforts failed to close a gender gap.
- The law sends "a very strong signal", Justice Minister Christine Lambrecht said, urging corporations to "take advantage of the opportunity presented by highly qualified women".

Boris Johnson cancels Republic Day visit as UK locks down

- British Prime Minister **Boris Johnson** cancelled his Republic Day visit to India later this month, citing the need to oversee the Covid-19 pandemic response at home. The development comes as Britain began its third Covid-19 lockdown.
- Mr Johnson's government has announced a complete lockdown for England's 56 million people, which could last until mid-February.
- Johnson would have been the sixth leader from the UK to be Chief Guest at the Republic Day celebrations. The last British leader to be Chief Guest was Prime Minister John Major in 1993.

Japan to launch the first wood-based satellite by 2023

- The first ever **wooden satellite** could be launched from Japan in 2023.
- The Japanese firm Sumitomo Forestry and Kyoto University have joined forces in the aim of developing a wooden satellite that would burn up more readily as its lifespan ends, without leaving debris or waste behind.
- The project involves researching wood-based materials and coatings capable of withstanding the extreme conditions of space.
- Currently, the initiative is in the nascent stage as several wooden materials are being tested by the research team to find a suitable one for space missions.
- It is also reported that the team is also working towards developing wooden materials extremely resistant to temperature changes and sunlight.
- According to the **European Space Agency (ESA)** statistical model, there are more than 130 million pieces of anthropogenic space debris waste residue due to human activities smaller than a millimeter around our planet.
- The debris can travel at a speed of more than 22,300 mph and can impact other satellites.

2020 was 8th warmest year since 1901: IMD

- **The year 2020 was the eighth warmest year** on record since nation-wide records commenced in 1901, the India Meteorological Department (IMD).

Important Monthly Current Affairs Capsule – January 2021

- However, the past year was substantially lower than the highest warming recorded in 2016.
- As per the IMD, the five warmest years on record in order were 2016, 2009, 2017, 2010 and 2015.
- Past two decades (2001-2010 and 2011-2020) were also the warmest on record with anomalies of 0.23 degree Celsius /0.34 degree Celsius.

India calls for self-observation within UNSC over lack of representation of African countries

- India has called for introspection within **UN Security Council** over the lack of representation of African countries among its permanent members.
- **Foreign Secretary Harsh Vardhan Shringla** said, even though more than half of the issues on the agenda of the Security Council are related to Africa, the African continent does not even have a single voice amongst the permanent membership to defend its own interests.
- He said, the world body needs to correct this historical anomaly, and collectively support the **Ezulwini consensus**.

India and France - Strategic Dialogue in New Delhi

- **India and France** are scheduled to hold their annual Strategic Dialogue in **New Delhi**.
- At the dialogue, the Indian side will be **led by National Security Advisor Ajit Doval**.
- **The French side** will be represented by **Emmanuel Bonne**, diplomatic advisor to French President Emmanuel Macron.
- “The two sides will hold discussions on wide-ranging bilateral and global issues. Emmanuel Bonne will also call on other Indian dignitaries,” the Ministry of External Affairs said in a release.
- Indo-French Strategic Dialogue was last held in February last year in Paris.
- Bonne is arriving in India on a two-day visit – the first by a foreign dignitary in 2021.
- The visit comes on the back of an uptick in bilateral relations between India and France.

- The announcement was made by White House **Press Secretary Kayleigh McEnany** here.
- A new level of partnership between the United States, the United Arab Emirates, and the Kingdom Bahrain, and represents an enduring commitment to economic and security cooperation.
- It also reflects their extraordinary courage, determination, and leadership in entering into the Abraham Accords.
- In addition to that, Both of the countries have been designated for their commitment to countering violent extremism across the region, exceptional security partnership and exemplified by their hosting thousands of US airmen, soldiers, marines and sailors.

Important Monthly Current Affairs Capsule – January 2021

Pakistan PM Imran Khan special permit for Dubai royals to hunt houbara bustard

- The **Pakistan government** has issued at least **seven special permits** to Dubai Ruler Sheikh Mohammed bin Rashid Al-Maktoum and six other members of the ruling family to hunt the internationally protected bird houbara bustard during the 2020-21 hunting season.
- After the Permission, eleven members of the UAE royal family reached the Panjgur district in Balochistan, Pakistan for hunting the highly vulnerable and internationally protected houbara bustard under Pakistan's foreign ministry license.

Nepali climbers make history, become first to scale world's second highest mountain K2 in winter

- A team of **10 Nepali climbers** made history by becoming the first to scale in winter the world's second highest mountain K2, considered as the world's most dangerous and challenging peak.
- K2 with its daunting 8,611 meters height is located in **Gilgit-Baltistan side of the Karakoram range**.
- It was the only among **8,000-meter high peaks** that was never scaled in winter.
- The achievement was the result of a collaborative effort between the climbers affiliated with multiple teams: one led by Nirmal Purja and the other by Mingma Gyalje Sherpa.

UK sets out new laws to protect historic statues, monuments

- The **UK government** unveiled **new laws to protect England's cultural and historic heritage** in the form of statues and monuments to ensure they are not removed at a whim.
- The move comes in the wake of Black Lives Matter protests in the country last year targeting several historic monuments, including with graffiti on Mahatma Gandhi's statue in Parliament Square in London.
- New legal protections mean that historic statues should be retained and explained for future generations and individuals who want to remove any historic statue, whether protected with a listed status or not, will now require listed building consent or planning permission.

Netherlands PM Mark Rutte and his entire cabinet quits over welfare scandal

- Dutch Prime Minister **Mark Rutte** and his entire Cabinet resigned **to take political responsibility for a scandal involving investigations** into child welfare payments that wrongly labeled thousands of parents as fraudsters.
- Mr. Rutte and his cabinet will continue running the government in a caretaker capacity, with general elections already scheduled for **March 2021**.
- The resignation brings to an end a decade in office for Rutte, although his party is expected to win the election, putting him first in line to begin talks to form the next government. If he succeeds in forming a new coalition, Rutte would most likely again become prime minister.

Prakash Javadekar Launches 2021 as Indo-French Year of the Environment

- Minister for Environment, Forest and Climate Change, **Shri Prakash Javadekar** and **Ms Barbara Pompili**, the French Minister for Ecological Transition launched the **Indo-French Year of the Environment in New Delhi**.

Important Monthly Current Affairs Capsule – January 2021

- The basic objective is to **strengthen Indo-French cooperation in sustainable development, increase the effectiveness of actions in favor of global environment protection and give them greater visibility.**
- The Indo-French Year of the Environment over the period 2021-2022 would be based on **five main themes:** environmental protection, climate change, biodiversity conservation, sustainable urban development, and the development of renewable energies and energy efficiency.
- It is also a platform for engaging in discussions on critical areas of collaboration relating to the environment and allied areas.
- From the French side, it will be held under the aegis of the Ministry of Ecological Transition, in close collaboration with the Ministry of Europe and Foreign Affairs with the support of the Embassy of France in Delhi and its partners.
- From the Indian side, it will be coordinated by the **Ministry of Environment, Forest and Climate Change (MoEFCC)** along with the Ministry of External Affairs, Ministry of Housing and Urban Affairs, Ministry of New and Renewable Energy and other concerned Ministries/Departments/Organisations.
- A joint screening committee will also be set up to finalise the calendar of the events for the Indo-French Year of the Environment.

- In a historic development, a MoU was signed between the **LAHDC Kargil and the Army** to evacuate the Kargil Lower Plateau.
- The MoU was signed between the Deputy Commissioner and CEO, LAHDC, Kargil Baseer ul Haq Choudhary on behalf of the LAHDC, Kargil and Brigade Commander, 121 Infantry Division Brigadier Vivek Bakshi on behalf of the Army in presence of the Chairman and Chief Executive Councilor, LAHDC, Kargil, Feroz Ahmad Khan and the General Officer Commanding (GOC), 8 Mountain Division Major General Praveen Kumar Airy, AVSM.
- As per the MoU, substitute land shall be provided to the Army near Maratha Unit Kurbathang and Mulbekh area.

IREDA signs MoU with NHPC

- **Indian Renewable Energy Development Agency Limited, IREDA** under administrative control of Ministry of New and Renewable Energy today signed a **Memorandum of Understanding** with NHPC Limited, the PSU under Ministry of Power for providing its technical expertise in developing renewable energy projects.
- Under the MoU, IREDA will undertake **Techno-Financial** due diligence of Renewable Energy and Energy Efficiency and conservation projects for NHPC.
- **IREDA will assist NHPC** in developing an action plan to create and acquire Renewable Energy projects for the next five years.
- The MoU was signed through virtual mode by **Chairman-cum-Managing Director, IREDA Pradip Kumar Das and CMD, NHPC Limited Abhay Kumar Singh.**

India and Japan inks MoU to Enhance Cooperation in the Field of ICT

- **India and Japan** signed a memorandum of understanding (MoU) to enhance cooperation in the field of **Information and Communications Technology (ICT)**, including **5G standardisation**.
- The MoU was signed between Ravi Shankar Prasad, Minister for Communications, Electronics and IT and the Japanese Minister for Internal Affairs and Communications Takeda Ryota, through a video conference.
- As per the agreement, both the countries will enhance mutual cooperation in the field of 5G technologies, telecom security, submarine optical fibre cable system to islands of India, spectrum management, smart cities, high-altitude platform for broadband in unconnected areas, disaster management and public safety.
- The new agreement will bring the cooperation between Japan and India in the field of ICT to another level, which has already been close under the Japan-India ICT Comprehensive Cooperation Framework of 2014

Important Monthly Current Affairs Capsule – January 2021

Indian Army signs a \$20 million contract with ideaForge to buy SWITCH drones

- The **Indian Army** has signed an approximately **\$20 million** contract for undisclosed quantities of a high-altitude variant of ideaForge's **SWITCH UAV** which will be delivered over a period of 1 year.
- IdeaForge has been awarded this contract after it emerged as the only vendor that qualified the operational requirements in an evaluation done in real-world conditions, for a fast-track procurement.
- The contract marks a strategic shift in the Indian defence procurement process as the Indian Army goes on an aggressive modernization drive. It has also cemented ideaForge's position as India's largest manufacturer of drones for defence, homeland security and industrial applications.

Kerala, MP change MoU on Responsible Tourism

- **Madhya Pradesh** signed a memorandum of understanding with Kerala for replicating the latter's pioneering **Responsible Tourism (RT) initiative**.
- The States signed a joint declaration underneath which Kerala will prolong a sequence of companies underneath a **16-point programme**.
- The MoU was exchanged by Tourism Minister Kadakampally Surendran and his Madhya Pradesh counterpart Usha Thakur.
- Next week, a **13-member staff from Bhopal**, led by Ms Thakur, will tour totally different elements of Kerala to assemble first-hand information about RT within the State.

DRDO and Road Transport and Highways Ministry sign MoU for technical exchange on sustainable geo-hazard management

- **Road Transport and Highways Ministry and Defence Research and Development Organisation**, DRDO signed a Memorandum of Understanding to strengthen collaboration in the field of technical exchange and co-operation on sustainable geo-hazard management.
- The MoU was signed by Secretary Ministry of Road and Transport Giridhar Aramane and Secretary DRDO Dr Satieesh Reddy.
- It has been agreed that both will cooperate in the areas of mutual benefit including, conceptual planning of integrated avalanche and landslide protection schemes for all weather connectivity in snow bound areas of the country.
- This initiative will ensure safety of road users on **National Highways** in the country and safeguard them from the adverse effects of landslides and other natural calamities.

Ministry of Road Transport & Highways signed MOU with IIT Roorkee

- **Ministry of Road Transport and Highways and Indian Institute of Technology, IIT Roorkee** signed an MoU in New Delhi for continuation of Ministry of Road Transport and Highways Professorial Chair focusing on research and development, teaching and training in the area of Development of Highway Infrastructure.
- The MoU was signed by **Indresh Kumar Pandey**, Special Secretary and Director General Road Development and **Prof. Manoranjan Parida**, Deputy Director and Professor of Civil Engineering, IIT Roorkee.

Important Monthly Current Affairs Capsule – January 2021

- Secretary in the Ministry Giridhar Aramane presided over the MoU signing ceremony.

Textiles Committee signed MoU with Japanese Nissenken Quality Evaluation Centre

- The **Textiles Committee of the Ministry of Textiles has signed a Memorandum of Understanding- MoU with Nissenken Quality Evaluation Centre, Japan** to boost export of Textile and Apparel to Japanese market.
- The MoU signing ceremony was held through video conferencing which was presided over by Minister of Textiles Smriti Irani and State Minister of Economy, Trade and Industry of Japan Yasumasa Nagasaka.
- The main objective of the MoU is to provide required support to textile's trade and industry for ensuring quality as per the requirement of Japanese buyers.
- The MoU will strengthen the bilateral trade by enhancing India's export of Textile and Apparels to Japan, which is the third largest export destination of the world.

India to be a co-chair of regional forum to conserve wildlife habitats - Asia Protected Areas Partnership (APAP)

- **India** has been chosen as the IUCN-supported **Asia Protected Areas Partnership (APAP)** for **3 years** and it could, on this capability, help different Asian nations in managing their protected areas.
- **About APAP :**
- The APAP is a regional platform to assist governments and different stakeholders to collaborate for more practical administration of protected areas (PA) within the region.
- The APAP presently consists of **21 members from 17 nations** together with China, Japan, South Korea, Nepal, Bhutan, Sri Lanka and Bangladesh.
- The APAP, formally launched at the IUCN World Parks Congress in Australia in 2014, is chaired by IUCN Asia and co-chaired by an APAP nation member.
- India will substitute South Korea which held this place for 3 years until November, 2020.
- Currently there are 21 members from 17 international locations.

Tata Power teams up with SIDBI to provide solar financing to MSMEs

- **Tata Power** announced its partnership with SIDBI to provide a finance scheme to the **MSME players** in the rooftop solar segment.
- This Scheme is easy financing and has been one of the barriers for penetration of solar in the MSME sector.
- That will empower MSMEs to adopt sustainable energy for their business and promote greener.
- Tata Power and SIDBI have joined hands to design a solar financing solution to help MSME players with financial aid without any collateral at an interest of less than 10 percent.
- The scheme will also be complimented with a sanction time of seven days and disbursement of money in four days.
- The benefits of the scheme can be availed by both off-grid and on-grid solar connections.

Important Monthly Current Affairs Capsule – January 2021

FSS and India Post Payments Bank AePS Partnership Advances Financial Inclusion in India

- **FSS (Financial Software and Systems)**, a leading global payment processor and provider of integrated payment products, announced partnering with **India Post Payments Bank (IPPB)** to promote financial inclusion among underserved and unbanked segments.
- As part of the collaboration, IPPB will use **FSS' Aadhaar Enabled Payment System (AePS)** to deliver interoperable and affordable doorstep banking services to customers across India.
- This strategic partnership offers significant opportunities to bring millions of unbanked customers into the financial mainstream.
- IPPB has been set up with the vision to build the most accessible, affordable, and trusted bank for the common man in India to deliver banking at the customer's doorstep.

Flipkart, Niti Aayog collaborate to enhance Women Entrepreneurship Platform

- Walmart-owned Flipkart has partnered with Niti Aayog to launch the revamped Women Entrepreneurship Platform.
- The Women Entrepreneurship Platform (WEP) is a first of its kind, unified access portal which brings together women from different parts of India to realize their entrepreneurial aspirations.
- The idea of the platform was first mooted by Amitabh Kant, CEO, NITI Aayog who announced the setting-up of a Women Entrepreneurship Platform in NITI Aayog at the conclusion of the 8th Global Entrepreneurship Summit (GES) held in Hyderabad in 2017, with an overarching theme of 'Women first, prosperity for all'.

India and Japan Sign Agreement to Promote movement of Skilled Workers

- **India and Japan** have signed a **Memorandum of Cooperation (MoC)** on a basic partnership framework for operation of the '**specified skilled worker**' (SSW) system under which the Japanese government accepts foreign nationals who have a certain level of expertise and skill.
- The memorandum was signed by **Japanese Ambassador to India Suzuki Satoki and Foreign Secretary Harsh Vardhan Shringla**
- There are **14 specified industry fields** that fall under SSW and workers and professionals in those sectors could be eligible,
- These are: nursing care (caregiving); building-cleaning management; machine parts and tooling industries; industrial machinery industry; electric, electronics and information industries; construction industry; shipbuilding and ship machinery industry; automobile repair and maintenance; aviation industry; accommodation industry; agriculture, fishery & aquaculture; manufacture of food and beverages; and food service industry.

CCI approves Flipkart's 7.8% acquisition of Aditya Birla Fashion and Retail

- The **Competition Commission of India (CCI)** approves acquisition of a minority stake in **Aditya Birla Fashion and Retail Limited (ABFRL)** by Flipkart Investments Private Limited (FIPL).
- About FIPL :

Important Defence News

Navy, DRDO conduct maiden trial of 1st indigenous air-droppable container

- **Defence Research and Development Organisation (DRDO)** along with the Indian Navy conducted the successful maiden test trial of '**SAHAYAK-NG**' India's first indigenously designed and developed Air Dropped Container from IL 38SD aircraft (Indian Navy) off the coast of Goa.
- The trial was conducted by the Indian Navy to enhance its operational logistics capabilities and provide critical engineering stores to ships that are deployed more than 2000 kilometers from the coast.
- **SAHAYAK-NG** is an advanced version of **SAHAYAK Mk I**.
- The newly developed GPS aided air dropped container is having the capability to carry a payload that weighs up to 50 kilograms and can be dropped from heavy aircraft.
- SAHAYAK-NG container was developed by two DRDO laboratories i.e. NSTL, Visakhapatnam and ADRDE, Agra along with Avantel for GPS integration.

BEL signs contract with Indian Navy for Initial Supply of indigenously developed Laser Dazzlers

- **Bharat Electronics Limited (BEL)** has signed a contract with Indian Navy for initially supplying **20 Light Amplification** by Stimulated Emission of Radiation Dazzlers (Laser Dazzlers) in New Delhi.
- The BEL had earlier this month won the contract beating global Original Equipment Manufacturers (OEMs) in the global category.
- These would be manufactured by **BEL, Pune plant**.
- Laser dazzler technology was developed by Defence Research and Development Organisation (DRDO).
- This unique product is indigenously designed and developed for the first time for the Armed Forces.

Important Monthly Current Affairs Capsule – January 2021

Indian Army inks pact with Goa Shipyard to get 12 fast patrol boats for Pangong Tso lake by May

- **Indian Army** has inked a contract with M/s Goa Shipyard Limited for **12 Fast Patrol Boats** for surveillance and patrolling of large water bodies, including those in high altitude areas. Delivery would commence from May 2021.
- Indian Army would soon be getting high-powered and bigger capacity boats to meet the strength of the Chinese vessels.
- It is the Pangong lake that's been the sticking point with the Chinese troops occupying areas on the northern bank of the lake that had been in India's control.
- The indigenously built strong boats will have better anti-ramming capabilities and an enhanced capacity to accommodate additional troops.
- The new boats will be stronger with more capacity and are being manufactured in India," said an official privy to the developments.
- The need to upgrade boats used to patrol the Pangong Tso lake was felt in the wake of the military tussle between the Indian and the Chinese troops, and the continued standoff across the **Line of Actual Control (LAC)**.

GRSE delivers eighth landing craft utility ship to Indian Navy

- On December 31, 2020, Kolkata-based, Garden Reach Shipbuilders and Engineers (GRSE), delivered the last ship of the **MK IV Landing Craft Utility (LCU)** class vessel '**IN LCU L-58**' (Yard 2099) to the Indian Navy.
- The amphibious ships, to be based in the strategic location of Andaman and Nicobar Islands which is close to various routes leading to the South China Sea.
- **LCU L-58** is the eighth and final ship in the series of 8 LCUs manufactured by GRSE for the Indian Navy.

India, Israel successfully test MRSAM air and missile defence system

- **India and Israel** successfully tested a Medium-Range Surface-to-Air Missile (MRSAM) defence system.
- The missile has been jointly developed by **IAI and the Defence Research and Development Organisation (DRDO)**.
- This has been done in a partnership with other defence companies in Israel and India.

Harsh Vardhan inaugurates Coastal Research Vessel 'Sagar Anveshika'

- Union Minister of Earth Sciences, **Dr Harsh Vardhan** on January 09 inaugurated Coastal Research Vessel (CRV) '**Sagar Anveshika**' at Chennai Port Trust.
- It will be used for research purposes by the **National Institute of Ocean Technology (NIOT)** and has been built by Titagarh Wagons, Kolkata, West Bengal.
- The vehicle will be used to carry out environment indexing and bathymetric (mapping underwater features) in both coastal and offshore waters.
- NIOT already has 6 Research Vessels – Sagar Kanya, Sagar Sampada, Sagar Nidhi, Sagar Manusha, & Sagar Tara.

Important Monthly Current Affairs Capsule – January 2021

Cabinet clears purchase of 83 Tejas fighter jets for Indian Air Force

- Government has approved procurement of **83 Light Combat Aircraft, LCA, Tejas** worth about 48 thousand crore rupees from Hindustan Aeronautics Limited for Indian Air Force.
- The Cabinet Committee on Security, CCS chaired by Prime Minister Narendra Modi in New Delhi.
- The procurement of **73 LCA Tejas Mk-1A fighter aircrafts** and **10 LCA Tejas Mk-1 Trainer aircrafts** at the cost of Rs. 45,696 crore along with Design and Development of Infrastructure sanctions worth Rs.1,202 crore has been approved by the Cabinet under the PM Modi.
- Light Combat Aircraft Mk-1A variant is an indigenously designed, developed and manufactured state-of-the-art modern 4+ generation fighter aircraft.
- This aircraft is equipped with critical operational capabilities of Active Electronically Scanned Array (AESA) Radar, Beyond Visual Range (BVR) Missile, Electronic Warfare (EW) Suite and Air to Air Refuelling (AAR).

Five day Indo-French Air exercise, Ex Desert Knight-21 begins in Jodhpur

- Indian Air Force and French Air and Space Force are conducting a bilateral Air exercise, Ex Desert Knight-21 in Jodhpur .
- The exercise marks an important milestone in the series of engagements between the two Air forces.
- It is unique as it includes fielding of Rafale aircraft by both sides and is indicative of the growing interaction between the two premier Air Forces.
- The French side will participate with Rafale, Airbus A-330 Multi-Role Tanker Transport, A-400M Tactical Transport aircraft and approximately 175 personnel.
- The Indian Air Force aircraft participating in the exercise will include Rafale, Mirage 2000, Sukhoi-30 MKI among other aircraft.

Andaman and Nicobar Command to conduct Indian Armed forces' joint military exercise 'Kavach'

- A large-scale joint military exercise '**Excercise Kavach**' will be conducted in the coming week under the aegis of **Andaman and Nicobar Command (ANC)**, the only Joint Forces Command of India.
- The joint military exercise Kavach will involve the **Indian Navy, Indian Army, Indian Air Force and Indian Coast Guard**.
- **Aim** : The tri-services exercise aims to fine-tune joint war-fighting capabilities and SOPs towards enhancing operational synergy.
- During the exercise, the joint force will implement high-density offensive and defensive measures in the Andaman Sea and the Bay of Bengal. In addition, they will carry out amphibious landing operations, with helicopters transporting maritime special forces, and finally tactical follow-up operations on land.
- In addition to the Kavach exercise, a joint intelligence surveillance and reconnaissance (ISR) exercise will also be held. ISR will verify the intelligence gathering capabilities. In addition, it will verify information sharing capabilities from space, land, air and sea.

Important Monthly Current Affairs Capsule – January 2021

BSF launches Operation 'Sard Hawa' at Rajasthan border

- **Border Security Force (BSF)** launched Operation **Sard Hawa** on the western international border of Rajasthan.
- It aims to increase security on the borders in Jaisalmer.

- It was launched on 21 January 2021, and will continue till 27 January 2021, keeping in view Republic Day of India.

Indian Navy conducts exercise AMPHEX – 21 with Army and Air Force

- A large-scale tri-service joint amphibious exercise **AMPHEX – 21** was conducted in the **Andaman & Nicobar group of islands from 21 – 25 Jan 2021**.
- The exercise involved participation of **Naval ships**, amphibious troops of the Army and different types of aircraft from the Air force.
- The exercise was aimed at **validating India's capabilities to safeguard the territorial integrity of its island territories**.
- It also sought to enhance operational synergy and joint warfighting capabilities amongst the three Services.
- The exercise involved multi-faceted maritime operations by synergised employment of amphibious assault ships, surveillance platforms, execution of maritime air strikes and complex manoeuvres at sea.
- Airborne insertion of Marine Commandos of Navy and Special Forces of the Army, naval gunfire support, amphibious landing of forces and follow-on operations also formed part of the exercise.
- Ex KAVACH for defence of Andaman & Nicobar Islands formed a part of AMPHEX – 21.

DRDO's successful flight test of Smart Anti Airfield Weapon

- **The Defence Research and Development Organisation (DRDO)** conducted a successful trial of the indigenously developed Smart Anti-Airfield Weapon (SAAW) off the **Odisha** coast from the Hawk-I jet of Hindustan Aeronautics Limited (HAL).
- The smart weapon was successfully test fired from **Indian Hawk-Mk132 of HAL**.
- It was a text book launch, which met all mission objectives.
- This was the ninth successful test of the system conducted over the last five years.
- SAAW is indigenously designed and developed by DRDO's Research Centre Imarat (RCI) Hyderabad.
- This is a 125-kilogram class smart weapon, capable of engaging ground enemy airfield assets such as radars, bunkers, taxi tracks, and runways, up to a range of 100 kilometres.

DRDO conducts maiden launch of Akash missile at integrated test range in Odisha

- The **Defence Research and Development Organisation (DRDO)** successfully conducted the **maiden launch** of the new generation of **surface-to-air Akash missile** from integrated test range off the coast of Odisha.
- The new generation missile is designed for use by the **Indian Air Force (IAF)** in order to intercept high maneuvering aerial threats.

Important Monthly Current Affairs Capsule – January 2021

- The test launch at Odisha was carried off in presence of DRDO, BDL (Bharat Dynamics Ltd), the ammunition and missile system manufacturer and BEL (Bharat Electronics Ltd.), the public aerospace company. Representatives from the IAF were also present at the test launch site.

Venkaiah Naidu inaugurates integrated weapons design centre

- Vice President **M Venkaiah Naidu** inaugurated the Integrated Weapons System Design Centre at DRDO's Dr APJ Abdul Kalam Missile complex in Hyderabad.
- The facility would enhance the capability in design and development of command and control systems for **surface-to-air missile (SAM) systems** and **ballistic missile defence (BMD) systems**,
- The DRDO officials briefed Naidu on the various ongoing projects and technological developments of missile complex laboratories Defence Research and Development Laboratory (DRDL) and Research Centre Imarat (RCI).
- The exposition will display missile technologies and weapon systems and the centre will be the backbone for outreach activities.

Important Science and Technology News

India's First Testbed for Autonomous Navigation Systems launched at IIT Hyderabad : TiHAN

- Union Minister of Education **Ramesh Pokhriyal Nishank** virtually laid the foundation stone of 'TiHAN-IIT Hyderabad, India's first Testbed for Autonomous Navigation Systems (Terrestrial and Aerial) at IIT Hyderabad.
- The **Department of Science and Technology (DST)**, Government of India, has sanctioned Rs. **135 crores** to IIT Hyderabad under the National Mission on Interdisciplinary Cyber-Physical Systems (NM-ICPS) to set up a Technology Innovation Hub on Autonomous Navigation and Data Acquisition Systems.
- The Technology Innovation Hub on Autonomous Navigation Systems for Unmanned Aerial Vehicles and Remotely Operated Vehicles at IIT Hyderabad, known as 'TiHAN Foundation' has been incorporated as a Section-8 company by the institute in June 2020.

BARC-developed plaque therapy successfully used on eye cancer patients in AIIMS

- The **Bhabha Atomic Research Centre in Mumbai** has developed an eye cancer therapy in the form of the first indigenous Ruthenium **106 Plaque** for the treatment of ocular tumours.
- The handling of plaque is very convenient for surgeons and it has been acknowledged to be at par with international standards.

ISRO to launch first satellite developed entirely by Brazil's space agency

- The **Indian Space Research Organisation (Isro)** is set to launch **Amazonia-1**, the first satellite to have been developed completely in **Brazil** by the **National Institute for Space Research (INPE)**, the Latin American nation's apex space research body.
- Emirates SkyCargo, the freight division of Emirates airline, has executed a cargo charter to transport Amazonia-1 from Sao Jose dos Campos, Brazil to Chennai. This is the first time that Emirates SkyCargo has transported a space satellite from South America.

Important Monthly Current Affairs Capsule – January 2021

- The satellite is due to be sent to space in **February 2021** from the **Satish Dhawan Space Centre** on the East coast of India.
- India and Brazil signed a Framework Agreement for cooperation in the field of outer space in January 2004.
