- Regarding Mogaveera Co-operative Bank, the RBI stated the inspection report of the bank, based on its financial position as on March 31, 2019, revealed that it had **not fully transferred** unclaimed deposits to Depositor Education and Awareness (DEA) Fund and had not conducted annual review of inoperative accounts.
- On **Indapur Urban Cooperative Bank**, the RBI stated inspection report of the bank, based on its financial position as on March 31, 2019, revealed that it had not adhered to the aggregate ceiling on unsecured advances, and did not have process for **periodical review of risk categorization** of accounts.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- Inspection report of **Baramati Sahakari Bank** revealed the bank had exceeded prudential inter-bank (single bank) exposure limit.
- In each case, the RBI added that the penalty **was imposed** due to deficiencies in regulatory compliance, and is not intended to pronounce upon the validity of any transaction or agreement entered into by the bank with its customers.

SBI

SBI introduced collateral-free “Kavach Personal Loan”

- The **State Bank of India (SBI)** has launched a **collateral-free unique loan offering** – ‘Kavach Personal Loan’.
- The loan covers the expenses of Covid-19 treatment.
- Under this scheme, the bank will **provide loans up to Rs 5 lakh** at an effective **interest rate of 8.5 per cent per annum for 5 years**.
- The bank is also offering a three months moratorium which is included in the 60 months.
- Also, the bank is providing reimbursement of expenses already incurred for Covid related medical expenses under the scheme.
- **Dinesh Khara, Chairman, SBI**, mentioned that the product is being offered under the collateral-free personal loan category.

SBI introduces Aarogyam healthcare business loan

- **State Bank of India (SBI)**, the **country's largest lender**, launched a new healthcare business loan '**Aarogyam**' on June 24, in order to **provide greater support** to the healthcare sector amid the ongoing COVID-19 pandemic.
- The **new loan product** is specially designed to support the healthcare ecosystem of the country.
- Under this scheme, the new loans can be availed by way of term loan, cash credit, bank guarantee, or letter of credit.
- The loan amount under **Aarogyam** ranges from a **minimum sum of Rs 10 lakh to a maximum of Rs.100 crore** - both for the expansion and the setting up of the new facility, and is **repayable in 10 years**.

SBI funds Rs.3725 Cr for Noida International Airport

- The **Yamuna International Airport Pvt Ltd (YIAPL)** has received the **final credit sanction for Rs 3725 crore** from the **State Bank of India (SBI)** for the development of Noida International Airport (NIA).
- The funding is a crucial milestone for the project as it validates the financial viability of the project while also outlining the next steps for the establishment of the **Noida International Airport**.
- The entire loan of **INR 3725 crore** has been underwritten by **SBI on a door-to-door loan tenor of 20 years**.
- We look forward to working closely with SBI to develop NIA as a **world-class airport in India**.

World Bank

World Bank sanctioned USD125 million financial support for Kerala

- Two years after sanctioning an assistance of **USD 250 million** for the **first phase** of the **Rebuild Kerala Initiative (RKI)**, the World Bank approved **USD 125million** assistance for the second phase.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- A meeting of directors of the Bank held in Washington approved the project proposal from the state government and sanctioned **USD 125 million (approximately Rs 925 crore)**.
- The loan will be under the Programme-for-Results financing scheme, which means the amount will be sanctioned for specific development projects approved by independent evaluators.
- With the World Bank clearance for the project, the route is **also clear** for the USD 125 million loan from **the Asian Infrastructure Investment Bank**.
- The **aim** of the **Rebuild Kerala Initiative** is to incorporate disaster risk planning in the master plans of urban and local self-governments and to help make the health, water resources management, agriculture, and works departments more resilient to calamities.

India and WB sign \$32 million loan agreement for Mizoram healthcare project

- The **Government of India, Government of Mizoram** and the **World Bank** have signed a \$32 million **Mizoram Health Systems Strengthening Project** to improve management capacity and quality of health services in Mizoram, particularly for the benefit of under-served areas and vulnerable groups.
- The **project will strengthen** the governance and the management structure of the **Department of Health and Family Welfare (DoHFW)** and its subsidiaries, improve the quality and coverage of services delivered by the state government health systems, and invest in a comprehensive Quality Assurance program which would enable quality certification of health facilities.

About the project:

- A **key focus** will be to strengthen the effectiveness of the **state health insurance programme**; build synergies with the Government of India's **Pradhan Mantri Jan Arogya Yojna (PMJAY)**; and thereby **reduce financial barriers** in accessing hospital services, prevent catastrophic out of pocket expenditure for health by poor families and expand coverage.
- The **Mizoram Health Systems Strengthening Project** will benefit the people across all eight districts of the state.
- It will also benefit health sector staff, specifically at the secondary and **primary levels**, by strengthening their planning and management capacity along with building their clinical skills and competencies.

World Bank sanctioned USD 500 million program to help boost India's MSME sector

- The **World Bank** has approved a **USD 500 million program** to help boost India's **MSME sector**.
- The programme **targets improvements** in the performance of **five lakh 50 thousand MSMEs**.
- Out of some **58 million MSMEs** in the country, more than 40 per cent lack access to formal sources of finance.
- The **USD 500 million Raising and Accelerating Micro, Small and Medium Enterprise (MSME) Performance (RAMP)** Program is the World Bank's second intervention in this sector, the first being the **USD 750 million MSME Emergency Response Program**, approved in **July 2020** to address the immediate liquidity and credit needs of millions of viable MSMEs severely impacted by the ongoing COVID-19 pandemic.

- **Prior to this**, tokenization was available with Kotak Mahindra Bank, SBI Cards and Axis Bank in India.
- Online merchants like **Myntra, Yatra, Dunzo and many others** can also make use of this feature.
- To use this feature, the user's phone must be **Near-field communication (NFC) capable**.
- To enable this **tap and pay feature**, users will have to do a one-time setup by entering their card details and generating an OTP.
- After registration, users can use this feature to make payments at any NFC-enabled terminal.

Federal Bank joined with Infosys for Oracle CX implementation

- **Federal Bank** has expanded its strategic collaboration with **Oracle and Infosys**, to offer an enhanced customer experience through **Oracle CX (Customer Experience) platform**.
- The **partnership** will be creating a comprehensive integrated **Customer Relationship Management (CRM)** solution across marketing, sales, customer service, and social listening to strengthen Federal Bank's operations, and to deliver connected, data driven, and intelligent customer experiences across all touch points.
- Federal Bank will be unveiling a **360degree view of the customer portfolio** in an application in a bid to achieve a '**Single Source of Truth**'.
- According to the lender, these services will help improve productivity and customer satisfaction.

LIC CSL introduced Prepaid Gift Card on IDBI Bank's Rupay Platform

- **LIC Cards Services Ltd (LIC CSL)** has launched a contactless prepaid gift card '**Shagun**' in collaboration with **IDBI Bank** on the **RuPay platform**.
- The **purpose of this card** is to **expand the gift card market** with an intent to **promote cashless ways** of gifting and present a **wide range of end-use choices** and in future foray into the market of e-gift cards.
- Shagun card, in the initial phase, will be available to LIC and its subsidiaries for official use.
- The card will be used to facilitate awards and special rewards during official conferences and functions.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The **Shagun gift card** offers **customization** in the form of flexible loading of **any amount** ranging from **Rs 500 to Rs 10,000**.
- With the **wide acceptability of RuPay**, the Shagun gift card can be used at millions of merchant outlets and e-commerce websites in India to diversify spending options on the card.

PhonePe introduces a new wallet auto top-up feature

- Digital payments company **PhonePe** has launched **India's first Wallet Auto Top-up feature using UPI e-mandates** for its customers.
- This allows PhonePe customers to make multiple payments using their Wallet, without having to top up their wallet balance manually each time, saving a lot of time and effort.

Benefits of using Wallet Auto Top-up:

- This feature will help the PhonePe customers in setting up a **UPI e-mandate once**, after which PhonePe will **automatically top up their wallet balance when it drops below a minimum level**.
- Much higher transaction **success rate** since users don't have to load their wallet each time the balance drops to zero.

IDFC First Bank Launched COVID-19 Relief program – 'Ghar Ghar Ration'

- **IDFC FIRST Bank** has announced the launch of "**Ghar Ghar Ration**" Program, an Employee-funded program for its **low-income customers** whose livelihoods are affected by COVID-19.
- The Bank also announced a comprehensive program for the families of employees who unfortunately lost their lives due to COVID-19, and a number of other social response initiatives aimed at controlling the spread of the virus.

'Ghar Ghar Ration' Program:

- "**Ghar Ghar Ration**" is a unique program where **employees have contributed from their personal income** to set up a **Customer COVID Care Fund** to provide relief to **50,000 COVID affected low-income IDFC FIRST Bank customers**.
- Employees of the Bank contributed one day to one month's salary for the purpose.
- The program involves supply of ration kits to such 50,000 low-income customers whose livelihood have been impacted by the pandemic.
- Employees are procuring **ration kits comprising 10 kg rice/flour, 2 kg dal (lentils), 1 kg sugar and salt, 1 kg cooking oil, 5 packets of assorted spices, tea and biscuits and other essentials** needed to support a small family for about a month.

Employee COVID Care scheme 2021:

- The Bank has also launched a comprehensive Employee COVID Care Scheme 2021 to **support the families of employees who have lost their lives due to COVID-19**, with retrospective effect from the start of the pandemic.
- Group Term Life of **4 times Total Fixed Pay or Rs. 30 lakh**, whichever is higher
- **Salary** credits to continue for **nominee for 2 years**
- **Home loan waiver limit at Rs. 25 lakh** for any casualty before June 30, 2021.
- Extension of **Mediclaim insurance** of employee's family for 24 months
- **Scholarship up to Rs. 10,000 monthly to 2 children till graduation**

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- **Employment to Spouse on merit**
- Skill Training entitlement of Rs. 2 Lakh for spouse who don't avail of the employment opportunity or are not eligible
- **Funeral expense** up to INR 30,000
- **Relocation Assistance** to family of Rs. 50,000
- Pro-rata Bonus Payout for period served this year
- Personalized Financial Advisory for affected family
- **Salary Advance** up to Rs. 3 Lakh at 0% ROI for 24 months for employees to meet unexpected expenses in case someone in their family is infected.

IndusInd Bank introduces "Indus Easy Credit" – a digital lending platform

- **IndusInd Bank** announced the launch of 'Indus Easy Credit', a comprehensive **digital lending platform** that enables customers to meet their financial requirements from the comfort of their homes.

'Indus Easy Credit' platform:

- With this, both existing **as well as non-IndusInd Bank customers can instantly avail personal loans or credit cards** on a single platform in a completely paperless and digital manner.
- '**IndusEasyCredit**' offers a fully digital end to end process that leverages the power of India's public digital infrastructure - 'India Stack' **to offer personal loans and credit cards in a paperless, presence less and cashless manner.**
- The stack leverages more than 35 interfaces to digitally verify KYC and employment information as well as analyse bank statements.

ICICI Bank introduces cardless EMI facility

- Private lender **ICICI Bank** launched a **Cardless EMI facility** for its customers to **use at retail stores**.
- The lender stated the facility enabled **pre-approved customers to buy gadgets or home appliances**, by using **one's mobile phone and PAN card, in the absence of cards**.
- "Customers can convert the **high-value transactions into easy, no-cost monthly installments** by simply putting their registered mobile number, PAN and OTP (received on mobile number) on the PoS machine at the retail outlets".
- **ICICI Bank** stated the facility, launched in a **tie-up with Pine Labs**, would be available across the pan-India outlets of Croma, Reliance Digital, My Jio Stores and Sangeetha Mobiles.
- Through the Cardless EMI facility, ICICI Bank's pre-approved customers would be able to purchase electronics from brands such as Carrier, Daikin, Dell, Godrej, Haier, HP, Lenovo, Microsoft, Motorola, Nokia, Oppo, Panasonic, Toshiba, Vivo, Whirlpool and MI.

SBM Bank and Paisabazaar jointly Launched – Step Up Credit Card

- **Paisabazaar.com**, India's largest lending marketplace and Credit Score platform, and **SBM Bank India**, the youngest universal Bank, announced the launch of **Step Up Credit Card** – a credit builder product designed for consumers with limited access to formal credit, due to ineligible credit score.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- A key part of **Paisabazaar's long-term growth strategy** is building neo-lending products with partners, to meet specific consumer need gaps.
- These innovative products would drive inclusiveness, by enabling underserved segments to access credit and over the long-term, strengthen the lending ecosystem.
- The **Step Up Credit Card**, built in partnership with **SBM Bank India**, is the **first product to be launched under Paisabazaar's neo-lending strategy**.

Kotak Mahindra Bank introduces 'Pay Your Contact' service

- **Kotak Mahindra Bank (KMBL)** has announced the launch of **'Pay Your Contact'** an innovative feature on KMBL's **mobile banking app** that uses the **Unified Payments Interface (UPI) platform** and allows customers to **send money or make payments** to any of their contacts across all payment apps simply by entering the beneficiary's **mobile number**.
- With **'Pay Your Contact'**, KMBL customers **no longer need to remember or obtain the bank account number or IFSC code or remember UPI IDs to send money or make payments**.
- The **'Pay Your Contact'** feature is interoperable across all payment apps and is available on both **Android and iOS**.
- "The other key issue that **'Pay Your Contact'** addresses are that of interoperability.
- Given the immense popularity of UPI in the Indian market, almost every Indian with a bank account has a **UPI ID**.
- With **'Pay Your Contact'** customers can now transfer funds easily to any **UPI-linked bank account** across payment apps with just a mobile number to identify their beneficiary".

Afthonia Lab & YES Bank make partnership to support Fintech Companies

- **Afthonia Lab ties up with Yes Bank** Startup incubator Afthonia Lab announced a tie-up with private sector lender Yes Bank to empower fintech companies.
- The **tie-up** will allow the incubator's portfolio companies to develop APIs in a sandbox environment and let them experiment with radical ideas to test solutions real time.
- The **partnership** will also **support the efforts to Innovate and inject new ideas** to transform the financial sector of India.

About the partnership:

- Under this partnership, the **Afthonia Lab's portfolio** startups will **develop APIs in a sandbox environment**, enabling the startups to experiment with **innovative ideas and test their solutions in real time**.
- This will also provide a safe and secure environment for the Afthonia Lab entrepreneurs to test their ideas and **provide an opportunity for Yes Bank** to transform the Indian Banking Industry.
- This collaboration will ensure that business has access to mentors from both the global network of Afthonia and Yes Bank.

About Afthonia Lab:

- "**Afthonia as an incubator** creates an **insight-forward ecosystem** to address gaps most startup founders face while navigating blindly through the traditional Indian financial industry.
- Afthonia **creates a safe-to-experiment environment for innovators**, complete with insights and interventions from seasoned thought leaders, so that you can **ideate, experiment, evolve and eventually succeed**."

Important Financial & Economy Affairs

Organization	GDP – FY 23	GDP - FY 22
Moody's Investors Service	7.9%	9.3%
OECD		9.9%
SBI		7.9%
World Bank	7.5% (CY 2022)	8.3% (CY 2021)
CRISIL		9.5%
ICRA		8.5%
Moody's Investors Service	7% (CY 2022)	9.6% (CY 2021)
S & P Global Ratings		9.5%

Moody's predicts India GDP growth at 9.3 per cent in FY22

- Moody's Investors Service pegged India's GDP growth at **9.3 per cent** in the current fiscal ending **March 2022** and **7.9 per cent** in FY23.
- "The reimposition of lockdown measures along with behavioural changes on fear of contagion will curb economic activity, but we do not expect the impact to be as severe as during the first wave.
- "We expect a decline in economic activity in the **April-June quarter**, followed by a rebound, resulting in real, inflation-adjusted **GDP growth of 9.3 per cent** in the fiscal year ending March 2022 and **7.9 per cent in fiscal 2022-23**".
- India's economy contracted by **7.3 per cent** in **fiscal 2020-21**.

OECD forecasts India's Growth projection for FY22 to 9.9%

- The **Organization for Economic Co-operation and Development (OECD)** cut its growth projection for India for **FY22 to 9.9% from 12.6%** estimated in March, as the second wave of coronavirus infections has paused economic recovery in **Asia's third largest economy**.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- OECD mentioned that while India is projected to be the fastest-growing G20 economy in 2021, it will also be the one which is the furthest away from its pre-crisis GDP trend.
- The OECD has revised up its growth projections across the world's major economies since its last **full Economic Outlook in December 2020**.
- It now sees global GDP growth at 5.8 % this year (compared with 4.2% projected in December), helped by a government stimulus-led upturn in the United States, and at 4.4% in 2022 (3.7% in December).

SBI Economists predicts GDP Growth Estimate in FY22 to 7.9%

- The **State Bank of India (SBI)** has **revised India's growth outlook downwards for the current financial year**.
- The latest **SBI** Ecwrap report has projected a 7.9 percent growth for India's GDP, down from its previous projection of 10.4 percent growth.
- The SBI Ecwrap noted that the real GDP for FY21 in the provisional estimates has been revised upwards to **Rs 135.13 lakh crore** from **Rs 134.09 lakh crore** as per the second advance estimates.
- Thus, for FY21 the real GDP growth was registered at -7.3 percent against the earlier SBI estimate of -8.0 per cent.

World Bank projects India to growth forecast at 8.3 per cent in 2021

- **The World Bank projected** India's economy to grow at **8.3 per cent in 2021 and 7.5 per cent in 2022**, even as its recovery is being hampered by an unprecedented second wave of the COVID-19, the largest outbreak in the world since the beginning of the deadly pandemic.
- The Washington-based global lender released Global Economic Prospects, noted that in India, an enormous second COVID-19 wave is undermining the sharper-than-expected rebound in activity seen during the **second half of Fiscal Year 2020/21**, especially in services.

CRISIL predicts India's GDP Growth for FY22 to 9.5%

- **Domestic credit ratings agency Crisil** has revised India's real GDP growth projection for **2021-22** downwards to **9.5 percent from 11 per cent** estimated earlier.
- The downward revision has been attributed to the decline in **private consumption and investments** following the second wave of Covid-19.
- Crisil further stated that in its base case of 9.5 per cent growth, the pre-pandemic levels will be achieved some time after September, while in the pessimistic scenario of eight per cent growth, quarterly GDP would surpass the pre-pandemic level only in the December 2021 quarter.

ICRA predicts India's GDP growth in FY 22 at 8.5%

- **Credit rating agency ICRA Ratings** projected India's gross domestic product (GDP) to grow at **8.5 percent** in **FY 2021-22**.
- In FY21, India's GDP contracted 7.3 per cent.
- ICRA expects GDP growth to exceed GVA growth by **120 bps**, based on expectations related to the value of taxes on products and subsidies on products in FY22.

Important Monthly Current Affairs Capsule – June 2021

India's agriculture exports grow by 17.34% in 2020-21

- India's export of agricultural and allied products in **2020-21** grew by **17.34 per cent** to **USD 41.25 billion**, and this **growth momentum** is expected to be sustained in the current fiscal.
- **Commerce Secretary Anup Wadhawan** stated huge growth has been seen in the export of cereals, non-basmati rice, wheat, millets, maize and other coarse grains.
- The **largest markets for India's agricultural products** are the **US, China, Bangladesh, UAE, Vietnam, Saudi Arabia, Indonesia, Nepal, Iran and Malaysia**.
- Exports of only agricultural products (excluding marine and plantation products) increased by 28.36 per cent to USD 29.81 billion in 2020-21 as compared to USD 23.23 billion in 2019-20.
- "Agriculture Exports have performed well during 2020-21".

Exports of India's organic farm products raised 51% in 2020-21

- **Exports of India's organic farm products** surged **51 percent** in 2020-21 **beating Covid induced hiccups** in the supply chain.
- **Commerce Secretary, Anup Wadhawan** stated that outbound shipments of organic products hit **1,040 million dollars** last fiscal compare with **689 million dollars** a year before.
- Farm exports raised over 17 percent last fiscal to 41.25 billion dollars.
- Even in volume terms, exports of organic products grew at 39 per cent to 8 lakh 88 thousand 179 tonnes last fiscal.
- The **key organic products** that were shipped out include oil cake and meals, oil seeds, cereals, millets, spices and condiments, tea, medicinal plant products, dry fruits, sugar, pulses and coffee.

India's retail inflation reaches 6.3% in May

- **India's** retail inflation raced to **6.3% in May**, breaching the upper limit of the central bank's inflation target for the first time in six months and bringing further pressure on an economy whipped **by the second wave of covid-19 infections**.
- **Aditi Nayar, chief economist at ICRA Ratings**, mentioned core retail inflation, which excluded volatile food and fuel items, rose to an 83-month high of 6.6% in May and is expected to remain above 5% throughout FY22.
- **Sunil Kumar Sinha, principal economist at India Ratings and Research**, stated it is still too early to say if retail inflation will remain in excess of 6% on a sustained basis given the high base of last year.

PAN will be in 'INOPERATIVE' status if not linked before June 30, 2021

- Under the new Income Tax Rules, it is **mandatory** to link PAN with your Aadhaar number **before June 30, 2021**.
- The PAN cards which are **not linked to Aadhaar** would **become useless and declared "inoperative"** and the KYC status will also become invalid.
- The deadline to link the **Permanent Account Number with your Aadhaar number** is nearing.
- According to **Clause 41 of Section 139AA of the Income Tax Act**, "If a person fails to intimate the Aadhaar number, the permanent account number allotted to such person shall be made inoperative after the notified date in the manner as may be provided by rules."

About Income Tax Department:

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The **Income Tax Department** is a government agency undertaking **direct tax collection** of the Government of India.
- It functions under the **Department of Revenue of the Ministry of Finance**.
- The Income Tax Department is headed by the **apex body Central Board of Direct Taxes**.

Moody's predicts India's Growth Forecast for 2021 to 9.6%, 2022 at 7%

- **Moody's Investors Service** slashed India's growth projection to **9.6 per cent** for 2021 calendar year, from its **earlier estimate of 13.9 per cent**, and said faster vaccination progress will be paramount in restricting economic losses to June quarter.
- Moody's mentioned in the report that, "the virus resurgence adds uncertainty to **India's growth forecast for 2021**; however, it is likely that the economic damage will remain restricted to the **April-June quarter**."
- We currently expect **India's real GDP** to grow at **9.6% in 2021 and 7% in 2022**.
- "Indian economy contracted by **7.3 per cent** in **fiscal 2020-21** as the country battled the first wave of COVID, as against a **4 per cent growth** in 2019-20".

S&P Global Ratings cut India's FY 22 GDP Growth Forecast to 9.5%

- **S&P Global Ratings** cut India's growth forecast for the current fiscal to **9.5 percent**, from **11 percent** earlier, and warned of risk to the outlook from further waves of COVID pandemic.
- The agency lowered the growth outlook, saying that a severe second COVID-19 outbreak in **April and May** led to **lockdowns** imposed by states and sharp contraction in economic activity.
- "S&P forecast growth of **9.5 per cent** this fiscal year from our **March forecast of 11 per cent**".
- Stating that permanent damage to private and public sector balance sheets will constrain growth over the next couple of years, it projected India's growth at 7.8 per cent in the next fiscal ending March 31, 2023.

India tie up with Russia as 4th biggest foreign exchange reserves holder

- **India's foreign exchange reserves** crossed **\$600** for the **first time**.
- As on June 4, the foreign exchange reserves stood at **\$605 billion**, almost tying with Russia as the fourth largest reserve holder in the world.
- While **India's forex reserve** was \$605.008 billion, Russia's was \$605.2 billion.
- It took just about a year for the **reserves to rise by \$100 billion**, which has generally been the pace of accumulation since **Shaktikanta Das** became the governor of the Reserve Bank of India (RBI) in November 2017.

GST collections crossed at Rs 1.03 lakh crore for May 2021

- **MS Mani, senior director, Deloitte India** stated, "**Collections above Rs 1 lakh crore** pertaining to the transactions in the month of **April 21** indicates that the economic impact of the lockdowns has been much lower than expected".
- He added that a close watch is required on the next month's collections to determine the extent of the impact on **GST collections for FY 22**.
- Gross GST revenue collected in the month of May 2021, Central GST is Rs 17,592 crore, State GST is Rs 22,653 crore, integrated GST is Rs 53,199 crore (including Rs 26,002 crore collected on import of goods) and Cess is Rs 9,265 crore (including Rs 868 crore collected on import of goods).

- Under the programme, teachers and principals from **120 Eklavya Model Residential Schools (EMRSs)** from 3 States (Himachal Pradesh, Madhya Pradesh, and Chhattisgarh) participated in the first batch of the programme.

About NISHTHA Programme:

- **NISHTHA** stands for **National Initiative for School Heads' and Teachers' Holistic Advancement**.
- **NISHTHA** is a capacity-building programme for improving the quality of school education through integrated teacher training.
- It **aims to build competencies** among all the teachers and school principals at the elementary stage.
- It was **launched by the Department of School Education and Literacy** as a national mission under the Samagra Shiksha Scheme in 2019-20.
- It is also the world's largest teachers' training programme of its kind.

Law Minister Launches 'itat e-dwar' E-Filing Portal of ITAT

- **Shri Ravi Shankar Prasad**, Union Minister for Law & Justice, Communications and Electronics & IT, formally launched the **e-filing portal** of Income Tax Appellate Tribunal (ITAT), '**itat e-dwar**'.
- Launching the Portal, the Minister explained the power of Digital India.
- He mentioned **Digital India** means empowering an ordinary Indian with the power of technology – To bridge the **digital divide between the digital haves and the digital have nots** leading to **digital inclusion** achieved by technology, which is low cost, home grown and developmental.
- Digital India means a framework for transforming India with the power of technology.
- He **highlighted** that nearly **129 crore of the Indian population** are **enrolled for Aadhar** which is the **digital identity** to supplement one's physical identity.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- Nearly **40 crore bank accounts** have been opened for the poor and **linked to Aadhar**.
- Using the power of Digital India about **Rs.16.7 lakh crore** has been transferred to the account of the poor as Direct Benefit Transfer, saving **Rs.1.78 lakh crores** which was, otherwise, being siphoned off by middlemen.
- Digital India has positioned our country as a world leader in digital payments.

About 'itat e-dwar':

- The newly developed **e-Filing Portal** would **enable** the parties to file their Appeals, Miscellaneous Applications, documents, paper books, etc., electronically.
- Portal will **enable online filing** of Appeals, Applications, documents etc. by various parties
- It will enhance the accessibility, accountability and transparency in the **day to day working of the ITAT**.
- It would **not only result in economization** of the use of paper, savings in costs but also rationalization of the fixation of cases leading to quicker disposal of cases.

PM virtually interacts with Toycathon 2021 participants

- **Prime Minister Narendra Modi** will interact with participants of **Toycathon 2021** via video conference.
- Around **1.2 lakh participants** from **across India** registered and submitted more than 17,000 ideas for the **Toycathon 2021**, out of which 1,567 ideas have been shortlisted for the **three-day online Toycathon Grand Finale**, being held from **June 22 to June 24**.
- For this purpose, the Ministry of Education Innovation Cell has engaged 645 mentors and evaluators for 1567 participating teams.
- **85 Nodal centres** have been selected to support the Ministry of Educations Innovation Cell and the All India Council for Technical Education, which are the organizing agencies for this **Inter-ministerial Toycathon**.

About Toycathon:

- **India**, despite being a home of many globally **popular games** like Chess, Ludo, Snakes and Ladders, is not among leading developers and manufacturers of toys.
- Under the '**AatmaNirbhar Bharat Abhiyan**' initiated by our Hon'ble Prime Minister, **Shri. Narendra Modi**, **Toycathon-2021** is conceived to challenge India's innovative minds to conceptualize novel Toy and Games based on Bharatiya civilization, history, culture, mythology and ethos.
- **Toycathon 2021** is a **unique opportunity** for Students, Teachers, Start-ups and Toy experts/professionals in India to submit their innovative toys/games concepts and win a large number of **prizes worth Rs. 50 lakhs**.
- **Winning Teams** efforts will be made to commercialize the exceptional toy concepts with support from Industry and investors.

Important Monthly Current Affairs Capsule – June 2021

- Shri Javadekar informed that **the project** which was **awarded to WAPCOS**, a PSU under the aegis of **Ministry of Jal Shakti**, Government of India is a first of its kind and a **unique experiment using LIDAR technology** which will help augment water and fodder in jungles areas thereby reducing human-animal conflict, help in **groundwater recharge**, help **local communities** and also asked state forest departments to use **CAMPA funds** towards implementation of these projects in right earnest and in accordance with the '**Ridge to Valley**' approach of watershed management.

About LiDAR survey:

- Lidar — Light Detection and Ranging** — is a remote sensing method used to **examine the surface of the Earth**.
- Topographic lidar typically **uses a near-infrared laser** to map the land, while bathymetric lidar uses water-penetrating green light to also measure seafloor and riverbed elevations.
- The surface reflects the light back to the **LIDAR equipment**, and the sensor records the reflected light to measure the distance traveled.

About WAPCO:

- WAPCOS** has prepared these **DPR's using LiDAR technology** in which the **3-D**(three dimensional) **DEM (Digital Elevation Model)**, imagery and layers of the project areas are used for recommending different types of Soil & Water conservation structures **such as** Anicut, Gabion, Gully Plug, Mini percolation tank, Percolation Tank, Field bund, Sunken pond, Farm pond etc.
- These structures will help in **catching the rain water** and **prevent stream run off**, which will help in recharging of Groundwater.
- WAPCOS** with the participation of **State Forest Departments** identified one major ridge inside a forest block in these states with an average area of **10,000** has been selected in each State for preparation of Detailed Project Reports.

Union Govt announced the Scheme FAME II extended till 2024

- The **scheme** has increased the demand incentive by 50 percent to **Rs 15,000 per kWh** compared to **Rs 10,000 per kWh** earlier.
- The **maximum cap** is also increased at 40 percent of the e-two-wheeler cost compared to **20 percent** earlier.
- The **FAME II scheme**, introduced to drive greater adoption of EVs in India, was launched with a massive budget outlay of Rs 10,000 crore in April 2019, to support **7,000 e-buses, 500,000 e-three-wheelers, 55,000 e-passenger vehicles and a million e-two-wheelers**.
- However, it seems to have missed its desired outcome by a huge count.
- The Union government has announced the extension of the **second phase of FAME India scheme** by two years till **March 31, 2024**.

About FAME India scheme:

- The **FAME India (Faster Adoption and Manufacture of (Hybrid and) Electric Vehicles) Scheme** is an **incentive scheme** for the promotion of electric and hybrid vehicles in the country.
- Ultimate objective of the scheme** is to promote electric mobility and it gives financial incentives for enhancing electric vehicle production and creation of electric transportation infrastructure.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The incentives are provided in the form of **subsidies** to manufacturers of electric vehicles and infrastructure providers of electric vehicles.
- Launched by the Ministry of Heavy Industries and Public Enterprises in 2015, the **first phase of the scheme** started in 2015 and was completed on **March 31st, 2019**.
- Phase I of the FAME-India Scheme was implemented with an outlay of INR 895 Cr. Approximately 2,18,625 Electric Vehicles were promoted by **FAME I till July 2018**.
- The **allocations for the scheme** during the periods 2019-20 and 2020-21 were approximately INR 1500 Cr and INR 5000 Cr, respectively.
- For the year 2021-22, the amount is **estimated** to be INR 3500 Cr.

Rajnath Singh inaugurates 63 bridges built by BRO in 8 states

- With an aim to **strengthen the road connectivity in the border areas**, Defence Minister **Rajnath Singh** inaugurated **63 bridges in six states** and two Union Territories built by **Border Roads Organisation (BRO)**.
- Among the **63 bridges**, **11 are** in Ladakh, four in Jammu & Kashmir, three in Himachal Pradesh, **six in** Uttarakhand, eight in Sikkim, one each in Nagaland and Manipur, and **29 in** Arunachal Pradesh.
- The **combined cost** of the projects is **Rs 240 crores**.
- With the inauguration of 63 bridges in one go, BRO has surpassed its own record of 44 bridges launched in **2020**.
- These **63 bridges**, combined with **12 roads** dedicated to the nation by Shri Rajnath Singh on June 17, 2021, form a bouquet of **75 infrastructure projects** completed by BRO when the nation is celebrating the 75th anniversary of its Independence.

All High Court websites initiated to introduce captchas for physically disabled access

- **All websites of the high courts** now have captchas that are **accessible to people with disabilities**, the law ministry.
- The task of making the **digital infrastructure of the Indian judicial system** more accessible to people with disabilities has been a core component of the work of the **e-Committee of the Supreme Court** in the last few months.
- "A significant milestone that the **e-Committee's efforts towards this objective** have yielded has been to ensure that all high court websites now have captchas which are accessible to **Persons with Disabilities (PwDs)**".
- The **e-Committee of the Supreme Court** is headed by Justice D Y Chandrachud

About Captcha:

- **Captcha** is a programme that **protects websites against bots** by generating and grading tests that humans can pass but current computer programmes cannot.
- These **captchas serve as entry points to access several essential facets of a court website**, such as judgments and orders, cause-lists and checking the status of cases.

IFSCA constituted Panel to Examine Best Practices in Ship Financing, Leasing Chaired by Vandana Aggarwal

- The **International Financial Services Centre Authority (IFSCA)** has **constituted a committee** to **examine** global best practices in financing and leasing of ships, identify opportunities and devise a roadmap to enable **such activities from GIFT IFSC**.

Important International News

WHO gave approval to China's SINOVAR Covid vaccine for Emergency Use Listing

- The **World Health Organization (WHO)** has approved **China's Sinovac Covid vaccine** for emergency use.
- It is the second Chinese vaccine to receive the **green light** from the WHO, after Sinopharm.
- WHO stated that the **emergency approval means** the vaccine "**meets international standards for safety, efficacy and manufacturing**".
- Vaccine efficacy results showed that the vaccine prevented symptomatic disease in **51% of those vaccinated and prevented severe COVID-19 and hospitalization in 100% of the studied population**.
- Few older adults (over 60 years) were enrolled in clinical trials, so efficacy could not be estimated in this age group.

China's 'artificial sun' sets new world record

- The core of the Sun burns at 15 million degrees Celsius by nuclear fusion of hydrogen nuclei into helium, but now scientists have designed an '**Artificial Sun**' on Earth that has sustained a temperature of **120 million degrees Celsius**.
- The **Experimental Advanced Superconducting Tokamak (EAST)** fusion reactor designed by China burns at eight times the Sun's core temperature.
- The reactor broke the record by reaching a plasma **temperature of 120 million degree Celsius for 101 seconds and 160 million Celsius for 20 seconds**.

Heidelberg Cement announced world's first CO2 neutral cement plant in Sweden

- **Heidelberg Cement** announced its intention to upgrade its plant on the **Swedish island of Gotland** to become the **world's first carbon-neutral cement plant**.
- The installation at the State plant of **Heidelberg Cement's subsidiary Cementsa** will be scaled to capture up to **1.8 million tonnes of CO2 annually**, which corresponds to the plant's total emissions.
- Additionally, the use of bio based fuels in the cement production at Slite will be increased in line with the Group's commitment to significantly raise the share of biomass in the fuel mix.
- The full-scale capturing of the plant's **CO2 emissions is targeted by 2030**.

About Heidelberg Cement:

- **Heidelberg Cement** is one of the world's largest integrated manufacturers of building materials and solutions, with leading market positions in aggregates, cement, and ready-mixed concrete.
- Around **53,000 employees at more than 3,000 locations in over 50 countries** deliver long-term financial performance through operational excellence and openness for change.
- At the center of actions lies the responsibility for the environment.
- As a forerunner on the path to carbon neutrality, Heidelberg Cement crafts material solutions for the future.

Important Monthly Current Affairs Capsule – June 2021

- The electoral alliance of his top rival, former President Robert Kocharyan, had 20 percent of the vote, according to the Central Election Commission (CEC).
- Voter turnout was about 50 percent, with some 2.6 million people eligible to vote.

India-Bhutan introduced joint initiative: Tax Inspectors without Borders

- **Tax Inspectors without Borders (TIWB)**, a joint initiative of the United Nations Development Programme (UNDP) and the Organisation for Economic Cooperation and Development (OECD), launched its programme in Bhutan.
- India was chosen as the Partner Jurisdiction and has provided the **Tax Expert** for this programme.
- This programme is expected to be of **about 24 months' duration** through which India in collaboration with the **UNDP and the TIWB Secretariat aims to** aid Bhutan in strengthening its tax administration by transferring technical know-how and skills to its tax auditors, and through sharing of best audit practices.
- The focus of the programme will be in the area of **International Taxation and Transfer Pricing**.

UNODC Report: 275mn People used Drugs Worldwide in 2020

- The **World Drug Report** released on June 24 by the **U.N. Office on Drugs and Crime in Vienna** Around **275 million people** used drugs worldwide **last year**, while **over 36 million people** suffered from drug use disorders.
- The **report also stated** many countries saw a **rise in the use of cannabis** during the **coronavirus pandemic**.
- In surveys of health professionals across 77 countries, 42% mentioned **cannabis use had increased**.
- A rise in the non-medical use of pharmaceutical drugs was also observed in the same period.
- The report further noted that in the last 24 years, cannabis potency had increased as much as four times in some parts, even as the percentage of adolescents who perceived the drug as harmful fell by as much as 40%.

Ashgabat world's most expensive city for foreign workers

- **Turkmenistan's capital city Ashgabat** has become the **world's most expensive city** for foreign workers, according to this year's Mercer Cost of Living Survey.
- The **annual report has ranked 209 cities** across five continents **by measuring** the comparative cost of more than 200 items, including housing, transportation, food, clothing, household goods, and entertainment.
- The survey used **New York City, ranked 14 on the list**, as the base city and currency movements were measured against the US dollar.
- **List of top 10 expensive cities** mostly features global financial hubs like Hong Kong, which was the priciest last year, Tokyo, Shanghai, Zurich and Singapore.
- **Mumbai** remains **India's most expensive city at 78th rank** but has **dropped 18 places** in this year's ranking "due to a relatively weak Indian rupee in comparison with other cities in the ranking."
- **Other Indian cities** on the list are New Delhi (117), Chennai (158), Bengaluru (170), and Kolkata (181).

China replaced UAE became the 2nd Largest Export Destination of India in FY21

- **China overtook the UAE** to emerge as India's second-largest export destination in FY21, behind only the US, for the **first time in recent memory**, despite the onslaught of the Covid-19 pandemic and a deadly border clash with outbound shipments to the neighbouring country rising 27.53% to \$21.18 billion in the pandemic year.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The **US remained the country's top export partner**, according to government data, but shipments declined 2.78% to \$51.63 billion in a year when India's merchandise trade —**both exports and imports** — fell amid global lockdowns and disruption to logistics due to the pandemic.

India and UK launch new work stream

- India along with the Govt. of United Kingdom** launched a new **work stream** to promote industrial energy efficiency under the **Clean Energy Ministerial's (CEM)** – Industrial Deep Decarbonization Initiative (IDDI) coordinated by UNIDO, at the 12th Chief Energy Ministerial (CEM).
- The **12th CEM** is ongoing from May 31st and will continue till 6th June 2021.
- The **IDDI initiative** has been supported by **Germany and Canada**, with more countries expected to join soon.
- The **objective** is to infuse green technologies and stimulate demand for low-carbon industrial material.
- Mr. Alok Kumar, Secretary, Ministry of Power **highlighted** that India is committed to cut emissions intensity per unit of GDP by **33 to 35% by 2030**.

Important Defence News

NSA Ajit Doval commissions Indian Coast Guard's offshore Patrol Vessel Sajag

- On May 29, 2021, the Indian Coast Guard (ICG) Offshore Patrol Vessel (OPV) 'Sajag' was commissioned by National Security Advisor Ajit Doval.
- It has been constructed by Goa Shipyard Limited.
- Sajag is the third in a series of five offshore patrol vessels indigenously designed.
- The ship is fitted with advanced technology equipment, weapons and sensors capable of carrying a twin engine helicopter and four high speed boats.

India Obtains 8 new Flying Training Academies

- India will get eight new Flying Training Academies under the liberalised Flying Training Organisation (FTO) policy of the Airports Authority of India (AAI), the Ministry of Civil Aviation.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- These academies will be set up at five airports across the country Belagavi, Jalgaon, Kalaburagi, Khajuraho and Lilabari.

Aim :

- To make India a global flying training hub and to prevent the exodus of Indian cadets to foreign FTOs.
- These FTOs will also be designed to cater the flying training requirements of cadets in India's neighbouring countries.
- This initiative will help the Indian flying training sector in becoming more self-sustaining under the Atma Nirbhar Bharat initiative.

Navies of Indo - Thai - begins three-day coordinated patrol in Andaman Sea

- From 09 to 11 June 2021, the three day coordinated patrol between the Indian Navy and the Royal Thai Navy was conducted.
- It was the 31st edition of India-Thailand Coordinated Patrol (Indo-Thai CORPAT) in the Andaman Sea.
- The Indian Navy's offshore patrol vessel INS Saryu and Thai ship Krabi along with Dornier maritime patrol aircraft from both navies.

About CORPAT :

- Since 2005, the two navies have been bi-annually undertaking CORPAT along their international maritime boundary line (IMBL).
- The CORPAT builds up understanding and interoperability between navies and facilitates institution of measures to prevent and suppress unlawful activities like illegal unreported unregulated (IUU) fishing, drug trafficking, maritime terrorism, armed robbery and piracy.

Indian Navy to receive three MH-60 Romeo Multi role helicopters from the US in July 2022

1. Indian Navy will receive the first set of three of the 24 MH-60 'Romeo' multirole helicopters from the US in July 2022.
2. In February 2020, India had signed a Rs 15,157 crore (\$2.13 billion) contract with the US for Lockheed Martin.
3. The first batch of Indian pilots has reached the US for training on the helicopters.

Key Features of MH-60 Romeo :

- The MH-60 Romeo helicopters would be equipped with multimode radars and night vision devices, Hellfire missiles, torpedoes, and precision-guided weapons.
- The MH-60 helicopters have been designed to operate from cruisers, aircraft carriers, destroyers, and frigates.
- The choppers are designed for hunting submarines as well as knocking out ships and conducting search-and-rescue.

ARDE & HEMRL develops State-of-the-Art Canopy Severance System

- State-of-the-art CSS has been developed ab-initio at Armament Research and Development Establishment (ARDE), Pune in association with High Energy Material Research Laboratory (HEMRL), Pune, for the indigenously developed LCA Tejas and Trainer Aircraft, HJT-36 Aircraft and HTT-40 Aircraft.
- It provides safe passage by pre-weakening/severing the canopy to facilitate the smooth escape of the pilot in the shortest possible time.
- All modern aircraft are equipped with a Canopy Severance System (CSS).

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- It is an escape path clearance system for the pilot in case of emergencies occurring on the aircraft.
- The CSS design has been cleared by Certifying Agency RCMA (AA), Pune and CEMILAC, Bangalore has issued Type Approval.
- CSS has two independent subsystems.
- The first one is the **In-flight Egress System (IES)** for in-flight emergencies, which is integrated with the seat ejection operation
- Second one is the **Ground Egress System (GES)** for on-ground emergencies, which is independent of seat ejection.
- ARDE and HEMRL are now capable of developing CSS for any Military Aircraft as required by Indian Air Force.

Indian Navy and European Naval Force Exercise held in Gulf of Aden

- On June 18, 2021, The maiden Indian Navy and European Union Naval Force (EUNAVFOR) exercise began in the Gulf of Aden.
- A total of five warships from four navies were participating in the two-day exercise.
- It will enhance and hone their war-fighting skills and their ability as an integrated force to promote peace, security and stability in the maritime domain.
- For anti-piracy operations, **INS Trikand**, is participating in the exercise.
- Italy's ITS Carabinieri, the Spanish Navy's ESPS Navarra, and FS Tonnerre and FS Surcouf of France.

MoD & Goa Shipyard Ltd signs contract for construction of two Pollution Control Vessels for Indian Coast Guard

- On June 22, 2021, The Ministry of Defence has signed a contract with Goa Shipyard Ltd (GSL) for the construction of two Pollution Control Vessels (PCVs) for the Indian Coast Guard (ICG) at a cost of about Rs 583 crore.
- These Special Role ships will be indigenously designed and will be developed & built by GSL.
- The acquisition is under 'Buy Indian Indigenously Designed Developed & Manufactured (Buy Indian-IDDM)', the highest priority category for defence capital procurements.
- The acquisition will augment the capability of ICG to respond to oil spill disasters at sea and also will enhance Pollution Response (PR) efficiency.
- Both vessels are scheduled for delivery by November 2024 and May 2025 respectively.
- The new PCVs planned are for pollution response requirements in Eastern and the ecologically sensitive Andaman & Nicobar Regions.

IAF & Indian Navy begin 2-day passage exercise with US Carrier Strike Group in Indian Ocean

- On June 23, 2021, Indian Air Force (IAF) and the Indian Navy commenced two-day Passage exercise.
- The exercise will be held two days, June 23, 2021 and June 24, 2021.
- It is the joint operational passage exercise with the US Navy Carrier Strike Group in the Indian Ocean Region (IOR).
- It will be carried out south of Thiruvananthapuram, on the western seaboard.

Aim of the Exercise :

- To strengthen the bilateral relationship and cooperation by demonstrating the ability to integrate and coordinate comprehensively in maritime operations.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- As part of the exercise, Sukhoi, Jaguars, IAF refuelling aircraft and warships and maritime patrol aircraft of the Navy will participate in the exercise.
- **INS Kochi and Teg**, along with **P8I and MiG-29K aircraft** will participate in a 'Passage Exercise' with US Navy CSG **Ronald Reagan**.

Ministry of Defence, DRDO Successfully Test fires Subsonic Cruise Missile 'Nirbhay'

- On **June 24, 2021**, The subsonic cruise missile 'Nirbhay' was successfully test-fired off the Odisha coast.
- Nirbhay is a subsonic cruise missile designed and developed by the Defence Research and Development Organisation (DRDO) under the Ministry of Defence.
- The missile having a range of **1500 KM**, it was fired from **launchpad no.3** of the Integrated Test Range at Chandipur of Balasore district.
- The missile is capable of carrying nuclear warheads upto **200 kg**.

Note :

- The **first test flight** of Nirbhay was held on **12 March 2013**.
- This was the **eighth test flight** of the missile.

About the Missile 'Nirbhay' :

- Nirbhay is a **long-range, all-weather, subsonic cruise missile**.
- The missile can be **launched from multiple platforms** and is capable of carrying conventional and nuclear warheads.
- The missile has a **length of 6 metres**, a **width of 0.52 metres**, a **wingspan of 2.7 metres** and weighs about **1500 kg**.
- The missile can reach speeds of **0.6-0.7 Mach**.

INS Tabar Utilized for naval exercises in Africa, Europe

- To **enhance military cooperation with friendly nations**, Indian Naval Ship (INS) Tabar, which commenced its prolonged deployment on **June 13**, will visit a number of ports in **Africa and Europe till September end, 2021**.
- INS Tabar, is a **Talwar-class stealth Frigate** built for Indian Navy in Russia.
- The ship is commanded by **Captain M Mahesh** and has a complement of **300 personnel**.
- Tabar will transit across the **Gulf of Aden, Red Sea, Suez Canal, Mediterranean Sea, North Sea and Baltic Sea** while making port calls at **Djibouti, Egypt, Italy, France, UK, Russia, Netherlands, Morocco, and Arctic Council countries** like Sweden and Norway.
- The ship is also **scheduled to participate in bilateral exercises** like **Ex Konkan** with the Royal Navy, **Ex Varuna** with French Navy and **Ex Indra** with Russian Federation Navy.
- The deployment will also see participation by the ship in the **Russian Navy Day celebrations** from **July 22 to 27**.
- This is to **further strengthen maritime security in the region** and to **consolidate combined operations against maritime threats**.

DRDO successfully test-fires Agni series' off Odisha coast - Agni-P

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- On May 28, 2021, the Defence Research and Development Organisation (DRDO) successfully flight-tested a New Generation Nuclear Capable Ballistic Missile “Agni P” from Dr APJ Abdul Kalam island off the coast of Odisha, Balasore.

About Agni - P :

- Agni P is a new generation advanced variant of the Agni class of missiles.
- The new ballistic missile, which has a range capability between 1,000 and 2,000 kilometres.
- The new nuclear-capable missile is fully made up of composite material and it was a textbook launch.

Mustafa Kemal Atatürk 2021 - Turkey & Azerbaijan Joint Military Drills Started in Baku

- On June 28, 2021, Turkey & Azerbaijan armies started joint military exercises Mustafa Kemal Ataturk – 2021 in Baku.
- The three day drill will run until June 30, 2021.
- The drill name is a reference to modern Turkey's founder Mustafa Kemal Atatürk.
- It Involves 600 soldiers, 40 tanks and armored vehicles, 20 cannons, seven war helicopters, unmanned aerial vehicles and 50 other vehicles

Purpose :

- To improve the interaction between the two countries' army units during combat operations, to develop the commanders' military decision-making skills and their ability to manage military units

Note :

- On June 15, Turkey and Azerbaijan signed the Shusha Declaration, a pact that focuses on defense cooperation and establishing new transportation routes.

Important Science and Technology News

IFFCO introduces world's first Nano Urea Liquid Globally

- On May 31, 2021, Indian Farmers Fertiliser Cooperative Limited (IFFCO) introduced the world's first Nano Urea for the farmers.
- This Nano Urea will be in liquid form.
- It is easy on the pocket of farmers and will be effective in increasing farmers' income.
- The production of the urea will begin from June 2021.
- IFFCO has priced Nano Urea at Rs 240 per 500 ml bottle for the farmers, it is 10 per cent cheaper than the cost of a bag of conventional Urea.
- It will be primarily available to farmers through its cooperative sales and marketing channel apart from its sale on IFFCO's e-commerce platform www.iffcobazar.in

AI-based Solution XraySetu Developed to Detect Covid-19 in Rural Population Through WhatsApp

- A new AI-driven platform called 'XraySetu' has been developed with the help of Chest X-ray, to help in early detection of COVID 19.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- It can work with **low-resolution** images sent via mobiles, is quick and easy to use, and can facilitate detection in rural **areas**.
- It is useful for RT-PCR tests and CT-Scans are not easily available.
- X-Ray Setu, **Can be operates through Whatsapp**,
- It has been **developed by ARTPARK (AI & Robotics Technology Park)**, with support from the Department of Science & Technology (DST), GOI, in collaboration with Bangalore based HealthTech startup Niramai and the Indian Institute of Science (IISc).

Working Procedure of 'XraySetu' :

- Doctor needs to visit **www.xraysetu.com** and click on the 'Try the Free X-Ray Setu Beta' button.
- The platform will then redirect to another page, in that they can choose to engage with the WhatsApp-based chatbot via web or smartphone application.
- Otherwise doctors can simply send a WhatsApp message to the phone number **+91 8046163838** to start the **X-Ray Setu service**.
- Then they just need to click the picture of the patient's X-ray and obtain the 2-page automated diagnostics with annotated images in a few minutes.

About AI & Robotics Technology Park :

- It is a not-for-profit foundation established by the **Indian Institute of Science (IISc), Bengaluru**.
- It will promote technology innovations in AI (Artificial Intelligence)& Robotics leading to societal impact by executing ambitious mission mode R&D projects in healthcare, education, mobility, infrastructure, agriculture, retail and cyber-security focusing.

Artificial Synaptic Network that Mimics Human Brain Developed by Scientists

- Scientists have **fabricated a device that can mimic human brain cognitive actions** and is more efficient than conventional techniques in simulating artificial intelligence, thus **enhancing the computational speed and power consumption efficiency**.
- It has been **devised by Scientists from Jawaharlal Nehru Centre for Advanced Scientific Research, Bengaluru**, an autonomous institute of the Department of Science & Technology, Government of India.
- It has been recently **published in the journal 'Materials Horizons'**.

Aim :

- To **develop a synaptic device for neuromorphic applications with a humble fabrication method**.
- Artificial synaptic network (ASN) **resembling the biological neural network via a simple self-forming method**

Important Monthly Current Affairs Capsule – June 2021

IIT-Ropar launched AmbiTAG, India's first indigenous temperature data logger

- **Indian Institute of Technology, Ropar (IIT Ropar)** in Punjab has developed a first-of-its-kind **IoT device – AmbiTag** that records **real-time ambient temperature** during the transportation of perishable products, vaccines and even body organs and blood.
- That recorded temperature further helps to know whether that particular item transported from anywhere in the world is still usable or perished because of temperature variation.
- This **information** is particularly critical for vaccines including Covid-19 vaccine, organs and blood transportation.

Bharti backed OneWeb successfully launches 36 New LEO satellites

- On May 28, 2021, Bharti group backed OneWeb, the Low Earth Orbit (LEO) satellite communications company, Co-owned by Bharati Global and the UK Government launched the next successful 36 satellites.
- It was done by Arianespace from the Vostochny Cosmodrome.
- It will form part of OneWeb's 648 LEO satellite fleet that will deliver high-speed, low-latency global connectivity.
- It brings OneWeb's total in-orbit constellation to 218 satellites.
- It is a part of **Five to 50' service**, enabling OneWeb to offer connectivity across the United Kingdom, Alaska, Northern Europe, Greenland, the Arctic Seas and Canada.
- The company was also able to back an investment of almost \$550 million from a Company named Eutelsat Communications, which is based in Paris, France, in April 2021.
- It has the acquisition of a total of 24% stakes of the company

China successfully launches cargo spacecraft Tianzhou-2

- On May 29, 2021, China successfully launched an automated cargo resupply spacecraft named Tianzhou-2, or Heavenly Vessel.
- It was blasted off via a Long March-7 Y3 rocket from the Wenchang Space Launch Centre on the southern island of Hainan in the South China Sea.
- Tianzhou-2 is the second of 11 missions needed to complete China's first self-developed space station around 2022.
- It is the third and largest orbital station launched by China's increasingly ambitious space programme.

SpaceX launches tiny critters, solar panels to space station

- On June 03, 2021, SpaceX launched thousands of tiny sea creatures to the International Space Station, along with a plaque-fighting toothpaste experiment and powerful solar panels.
- This is 7,300-pound (3,300-kilogram) which also includes fresh lemons, onions, avocados and cherry tomatoes for the station's seven astronauts.
- The Dragon cargo capsule, also brand new, is delivering the first of three sets of high-tech solar panels designed to bolster the space station's aging power grid.

Indian Navy Decommissioned oldest Hydrographic Survey Ship INS Sandhayak

- On June 04, 2021, INS Sandhayak, the Indian Navy's oldest Hydrographic Survey Vessel was decommissioned at Naval Dockyard in Visakhapatnam.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The Ship Served the nation for **40 glorious years**.
- INS Sandhayak undertook over 200 major hydrographic surveys.
- The ship took part in important operations :
 1. Op Pawan in Sri Lanka, 1987
 2. Op Rainbow for Humanitarian Assistance in the aftermath of the Tsunami in 2004
 3. Maiden Indo-US HADR Exercise Tiger-Triumph in 2019.

To Treat Post Covid - Fungal Infections Researchers From IIT Hyderabad develops Oral Amphotericin

- The Indian Institute of Technology (IIT) Hyderabad has developed **nano-fibre based** controlled-release oral tablets of **Amphotericin B (AmB)** to treat fungal infections arising out of COVID-19.
- Presently, **AmB is an injectable drug**.
- Professor Saptarshi Majumdar and Dr Chandra Shekhar Sharma from the Department of Chemical Engineering have made a proven study about oral nanofibrous AMB to be effective for black fungus (visceral leishmaniasis).
- The oral tablets used in the **treatment of kala-azar or black fever have come to the aid of black fungus patients**.
- In 2019, researchers from IIT- H's Creative and Advanced Research Based on Nanomaterials (CARBON) lab reported using gelatin nanofibers to manufacture Amphotericin B in a sustained-release tablet form.

India's first CAR-T cell therapy conducted at ACTREC, in Mumbai

- On June 4, the country's first CAR-T cell therapy was done at the Bone Marrow Transplant unit at ACTREC, Tata Memorial Centre in Mumbai.
- This trial is the **joint effort of the IIT bombay and Tata Memorial Centre**.
- It was **Supported by the Department of Biotechnology through the National Biopharma Mission-BIRAC**.
- The central government's **National Biopharma Mission-BIRAC** has approved Rs 19.15 crore to the team for **conducting a first-in-human phase-1/2 clinical trial of the CAR-T cells**.
- Clinical trials conducted globally have shown promising results in end-stage patients, especially in patients suffering from acute lymphocytic leukemia.
- Each patient's CAR-T cell therapy **costs Rs 3-4 crore, and currently this technology is not available in India**.

About CAR-T :

- The CAR-T cells were **designed and manufactured at the Bioscience and Bioengineering (BSBE) department of IIT, Bombay**.
- This work is **partly supported by the BIRAC-PACE scheme**.
- The clinical trials are being **done by Dr Gaurav Narula, professor of paediatric oncology and health sciences**.

ISRO develops 3 types of ventilators, to transfer technology to industry for clinical Usage

- The Indian Space Research Organisation has developed three types of ventilators, and has come forward to transfer the technology to industry for **clinical usage as the country battles the second wave of COVID-19 pandemic**.
- It is a **low-cost and portable critical care ventilator, 'PRANA' ("Programmable Respiratory Assistance for the Needy Aid")** is based on the automated compression of an AMBU (Artificial Manual Breathing unit) bag.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The ICU grade positive pressure mechanical ventilator is titled 'VaU' (abbreviation of Ventilation assist Unit).

India's first Power free CPAP device Jivan Vayu Developed By IIT Ropar

- **Indian Institute of Technology (IIT) Ropar** has developed a device called '**Jivan Vayu**'.
- It can be used as a **substitute for a CPAP machine**.
- **Khushboo Rakha**, Assistant Professor, Metallurgical and Materials Engineering, has developed the device at the Advanced Materials and Design Lab of IIT Ropar.

About Jivan Vayu :

- The device **has been manufactured using 3D printing** and has also been tested mechanically.
- It has an **inbuilt viral filter at the air entrainment end** which has a viral efficacy of 99.99%.
- The **device is designed to maintain an FiO2 of above 40%** with a PEEP (positive end -expiratory pressure) of 5-20 cm H2O.
- Jivan Vayu can deliver **high flow oxygen up to 60 Litres Per Minute (LPM)**
- The new device is the "**first to be designed in India that functions even without electricity**" and is adapted to both kinds of oxygen generation units like CO2 cylinders and oxygen pipelines .

IIT Ropar in recent news (June 1):

- Indian Institute of Technology, Ropar (IIT Ropar) in Punjab has **developed a first-of-its-kind IoT device AmbiTag** that **records real-time ambient temperature during the transportation of perishable products, vaccines and even body organs and blood**.
- That recorded temperature further **helps to know whether that particular item transported from anywhere in the world is still usable or perished because of temperature variation**.
- This information is particularly critical for vaccines including Covid-19 vaccine, organs and blood transportation.

European Space Agency's EnVision mission to Venus in 2030

- **To Study Venus** the European Space Agency (ESA) has announced the launching of its probe EnVision.
- It will probably be **launched to the planet in early 2030**.
- The spacecraft will **carry a range of instruments to study the planet's atmosphere and surface, monitor trace gases in the atmosphere and analyse its surface composition**.

About EnVision :

- EnVision is an **ESA led mission with contributions from NASA**.
- The EnVision probe of ESA will **determine how and why Venus and Earth evolved so differently, even while being in the habitable zone to the Sun**.
- EnVision launched on an **Ariane 6 rocket**, the spacecraft will take about 15 months to reach Venus and will take 16 more months to achieve orbit circularisation.
- Recently **NASA selected two missions to the planet Venus, called DAVINCI+ and VERITAS**.
- Early **ESA-led mission to Venus called 'Venus Express' (2005-2014)** that focussed on atmospheric research and pointed to volcanic hotspots on the planet's surface .

Important Monthly Current Affairs Capsule – June 2021

- Other than this, Japan's Akatsuki spacecraft has also been studying the planet's atmosphere since 2015.

HAL manufactured ALH Mk-III helicopters inducted into ICG

- On June 12, 2021, The Indian Coast Guard inducted the first three of 16 Advanced Light Helicopters (ALH) Mk-III designed and manufactured by Hindustan Aeronautics Limited (HAL).

About ALH Mk-III helicopters :

- The ALH Mk-III marine version has been designed and developed with in-house customisation of 19 additional equipment by HAL to meet Coast Guard requirements.
- The HAL will supply 16 ALH Mk-III to the ICG by mid next year 2022.
- On induction, the 16 ALH Mk-III will be positioned at four Coast Guard squadrons at Bhubaneswar, Porbandar, Kochi and Chennai.

World's first wooden satellite WISA Woodsat to be launched from New Zealand

- The European Space Agency (ESA) has planned to launch the world's first wooden satellite, WISA Woodsat, on Earth's orbit by the end of 2021.
- It will be launched with a Rocket Lab Electron rocket from the Mahia Peninsula launch complex in New Zealand.
- According to ESA, the mission was initiated by Jari Mäkinen.

China launches first human spaceflight Since 2016

- On June 17, 2021, The Shenzhou 12 mission launched from Jiuquan Satellite Launch Center in northwest China.
- China successfully launched the first three men crew to its new space station in its first crewed mission in five years.
- A Chinese spacecraft will blast off from the Gobi Desert on a Long March rocket in the coming days, ferrying three men onboard.
- Shenzhou-12, meaning 'Divine Vessel'.
- It will be the third of 11 missions needed to complete China's space station by 2022. Among them, four will be missions with people on board, potentially propelling up to 12 Chinese astronauts into space.

Note :

- The launch is a gift to the 100th anniversary of the founding of the Communist Party.
- China, aims to become a major spacefaring power by 2030, in May became the second country to put a rover on Mars.

IIT & YIC Developed a new technique to detect cyclones earlier than satellites

- Researchers at the Indian Institute of Technology, Kharagpur and Yantai Institute of Coastal Zone Research in China have developed a technique that can detect the formation of cyclones in the North Indian Ocean region.
- The research team for this study included Jia Albert, Bishnupriya Sahu and Prasad K Bhaskaran from IIT Kharagpur.
- It is published in the journal Atmospheric Research.
- The study was conducted under the Climate Change Program with support from the Centre's Department of Science and Technology.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The research team **analysed four post-monsoon severe cyclones** that developed over the North Indian Ocean, came out with a threshold value of a parameter called **Okubo-Weiss Zeta Parameter**.
- When the parameter crossed the threshold value, it resulted in the formation of a cyclone.

International collaborative sky surveying project : PASIPHAE

- **Polar-Areas Stellar-Imaging in Polarisation High-Accuracy Experiment (PASIPHAE)** is an international collaborative sky surveying project.
- PASIPHAE is an instrument used in **sky surveys to study stars**.
- The PASIPHAE survey will **measure starlight polarisation over large areas of the sky**.
- Scientists from the University of Crete, Greece, Caltech, USA, Inter-University Centre for Astronomy and Astrophysics (IUCAA), India, the South African Astronomical Observatory and the University of Oslo, Norway, are involved in this project.
- The Project, which **will be used in upcoming sky surveys to study stars**, is being led by an Indian astronomer.

About the Project Funds :

- The Project had been **funded with \$1 million**
- 1. **The Infosys Foundation, India,**
- 2. **Stavros Niarchos Foundation, Greece**
- 3. **USA's National Science Foundation**
- This was combined with contributions from the **European Research Council and the National Research Foundation in South Africa**.
- The survey will use **two high-tech optical polarimeters** to observe the northern and southern skies.
- It will **focus on capturing starlight polarisation of very faint stars** that are so far away that polarisation signals from **there have not been systematically studied**.
- The distances will be obtained from measurements of the **GAIA satellite**.
- It will help to understand the mysteries surrounding the origin of the universe and continue to draw human curiosity.

New Way of Imaging Through Fog Developed by Indo-French Researchers

- A workforce of **Indo-French researchers** has developed a brand new imaging technique to make clear images of objects in foggy weather conditions.

Researchers Team :

1. Raman Analysis Institute (RRI) in Bengaluru
 2. Isro's Area Software Centre (SAC) in Ahmedabad
 3. Université Paris-Saclay
 4. CNRS, France
- The work was **partially funded by the Division of Science and Know-how (DST) and the Indo-French Centre for the Promotion of Superior Analysis**.

Important Monthly Current Affairs Capsule – June 2021

IIT Madras inaugurates Research Centre On Start-ups And Risk Financing

- The Indian Institute of Technology Madras, has launched a 'Centre for Research on Start-Ups and Risk Financing' (CREST).

Aim :

- To provide academic and thought leadership in innovation, entrepreneurship and risk capital.
- To create a unique world-class data repository on Indian start-ups and ventures to address a major hurdle for engaging in high-quality research.

Key mission & Vision of CREST :

- CREST is to be globally recognized as a leading centre of research engaged in scholarly research in the areas of creation, development, and financing of innovation, start-ups, and entrepreneurship.
- To engage in scholarly research encompassing the areas of innovation, entrepreneurship, and risk capital.

China plans to launch its first crewed mission to Mars in 2033

- China plans to send its first crewed mission to Mars in 2033.
- It is a long-term plan to build a permanently inhabited base on the Red Planet and extract its resources.
- It will intensify a race with the United States to plant humans on Mars.
- Crewed launches to Mars are planned for 2033, 2035, 2037, 2041.
- Before the crewed mission, China will send robots to Mars to study possible sites for the base and to build systems to extract resources there.
- Meanwhile, China is also studying Sky Ladder, a new space transportation system for the Mars missions.

DRDO successfully test fires enhanced Pinaka Rocket in Odisha

- On June 25, 2021, The Defence Research and Development Organisation (DRDO) successfully test fired an extended range version of indigenously developed "Pinaka".
- It was carried at Integrated Test Range (ITR) in Chandipur off the coast of Odisha.
- The 122 mm Caliber rockets were launched from a Multi-Barrel Rocket Launcher (MBRL).
- 25 enhanced Pinaka Rockets were launched in quick succession against targets at different ranges.
- The enhanced range version of Pinaka Rocket System can destroy targets at distances up to 45 kms.
- The rocket system has been developed jointly by Pune based Armament Research and Development Establishment (ARDE) and High Energy Materials Research Laboratory (HEMRL).
- The development of the Enhanced Pinaka system was taken up to achieve longer range performance.

National Institute Of Immunology Receives Trademark for India's First Indigenous Tumour Antigen SPAG9

- The SPAG9 antigen developed by the National Institute of Immunology (NII) has received the ASPAGNIITM trademark, from the Department of Biotechnology (DBT).
- India's first indigenous tumour antigen SPAG9 was discovered in 1998 by Dr Anil Suri.
- He heads the Cancer Research Programme at the NII, a DBT institute.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- ASPAGNIITM is being used in dendritic cell (DC) based immunotherapy in cervical, ovarian cancer and will also be used in breast cancer.
- Immunotherapy is a new approach that exploits the body's inner capability to put up a fight against cancer.

Important Environment News

New Species of Spider Cricket - Jayanti Found in Chhattisgarh

- The Zoology Department of Panjab University, Chandigarh, in April 2021 by a team of zoologists headed by Dr Ranjana Jaiswara discovered a new species of Spider Cricket named *Indimimus jayanti*.
- It was found in the Kurra caves of Chhattisgarh.
- It has been published in the reputed journal *Zootaxa*.
- The new species was named after Professor Jayant Biswas, one of the leading cave explorers in the country.
- It was identified under the genus *Arachnomimus* Saussure, 1897.

About jayanti :

- The newly discovered subgenus, *Indimimus*.
- It has a lock-and-key model genitalia structure.
- Crickets are noticeable for their loud calls, the new Jayanti subgenus cannot produce sound and their females don't have ears and may be communicating by beating their abdomen or any other body part on the cave wall. (Unique way of Vibrational Communication).
- Vibrational communication is one of the softest but fastest modes of signal transmission.

A New Species *Cyrtodactylus bengkhuaia* of Gecko Discovered from Meghalaya and Mizoram

- A new species of *Cyrtodactylus bengkhuaia*, was discovered from Mizoram and Meghalaya.
- In 4 new species of gecko, 2 from Meghalaya and 2 from Mizoram.
- The Study about the new species was published in *Zootaxa*
- It is a peer-reviewed clinical mega magazine for animal taxonomists printed from New Zealand.
- The second one new lizard in Mizoram, *Cyrtodactylus aaronbaueri*, used to be recorded in and round Aizawl the city.
- The other 2 new species recorded in Meghalaya are the karst-dwelling bent-toed gecko (*Cyrtodactylus karsticola*) and Agarwal's bent-toed gecko (*Cyrtodactylus agarwali*).
- Both species are from limestone caves close to Siju village in South Garo Hills district

Black carbon deposits accelerates glaciers and snow melt in Himalayan ranges by World Bank

- On June 03, 2021, According to the World Bank Study Black carbon deposits accelerated glaciers and snow melt in the fragile Himalayan ranges and are changing temperatures and precipitation patterns, due to human activities.
- It is generated by human activity both inside and outside South Asia.
- Changing temperatures and precipitation patterns, anthropogenic black carbon (BC) deposits soot are further accelerating glaciers and snow melt in these mountain ranges.

Important Monthly Current Affairs Capsule – June 2021

New Species of Coffee Planted Discovered in Kerala

- A New Species of Coffee Plant *Argostemma quarantena* Discovered in Wagamon hills, Kerala.
- The New Species belongs to the family Rubiaceae.
- *Argostemma quarantena* to commemorate the lives lost in Pandemic.

About the Research Team :

- The plant was recognized by an analysis group consisting of Anoop P. Balan and A.J. Robi, school of the Division of Botany, Bishop Abraham Memorial School, Thuruthicad, Pathanamthitta district; and N. Sasidharan, former Chief Scientist, Kerala Forest Analysis Institute (KFRI), Peechi.

About *Argostemma quarantena* :

- *Argostemma quarantena* is a perennial herb which grows to a top of 3-7cm and is characterised by putting white flowers.

15-metre tree of Coffee discovered in Andaman & Nicobar Islands

- A new 15-meter-tall tree *Pyrostria laljii*, that belongs to the genus of the coffee family has recently been discovered.
- It was discovered from the Andaman Islands by a team of researchers from India and the Philippines.

About *Pyrostria laljii* :

- The tree has an umbellate inflorescence with 8-12 flowers.
- The colour of the flowers varies from white to cream, and turns brown after pollination.
- The tree is distinguished by a long stem with a whitish coating on the trunk, and oblong-ovate leaves with a cuneate base, and was first reported from South Andaman's Wandoor forest.
- *Pyrostria laljii*, is also the first record of the genus *Pyrostria* in India.

Note :

- *Pyrostria laljii* has been assessed as 'Critically Endangered' based on the International Union for Conservation of Nature's (IUCN) Red List criteria.
- The new species has been named *Pyrostria laljii* after Lal Ji Singh, Joint Director and Head of Office, Andaman and Nicobar Regional Centre, Botanical Survey of India.
- Dr. Singh and Mr. Naik has also discovered a new species of pokeweed named *Rivina* and *amanensis*.
- It represents the first record of the pokeweed family *Petiveriaceae* in the Andaman and Nicobar Islands.

New Species of Skittering frog : *Euphlyctis* Kerala discovered from surroundings of Thattekkad bird sanctuary

- A new species of skittering frog *Euphlyctis* Kerala has been identified from the surroundings of the Thattekkad bird sanctuary.

About Researchers Team :

- A team of researchers from the Zoological Survey of India (ZSI), Mount Carmel Faculty (MCC), Bengaluru, and Nationwide Institute of Science Training and Analysis (NISER), Bhubaneswar.
- The new species is named in honour of the exceptional biodiversity of the State.

[Click Here to Subscribe Our Yearly Platinum Package](#)

Important Monthly Current Affairs Capsule – June 2021

- The new species **Published in the Worldwide Journal Zootaxa** printed from New Zealand.
- The research is a part of an “**Integrative Taxonomic Strategy (ITA)**” whereby scientists utilise morphological characters, genetic research and different parameters to substantiate their findings of latest species.
- This discovery was **part of the Zoological Survey of India's (WGRC, Kozhikode)** faunal exploratory and documentation programme within the Thattekad hen sanctuary.

About Euphlyctis Kerala :

- New species Euphlyctis Kerala to be discovered within the **contemporary water bodies of the foothills of the Western Ghats, south of the Palakkad Hole.**
- These frogs live in **freshwater bodies, conservation of these freshwater systems plays a crucial role in conservation.**
- Members of the genus Euphlyctis (skittering frogs) have their distribution vary from Arabian Peninsula, Pakistan, India, Nepal, Sri Lanka, Myanmar, and Thailand.

Sida keralensis - New Plant Species Found in Kerala

- A new Plant Species **Sida keralensis** found on the **roadsides and wastelands** in Thiruvananthapuram district of Kerala.
- Their findings have been revealed in the **journal Phytotaxa.**

About the Research Team :

- A crew of researchers from the **Jawaharlal Nehru Tropical Botanic Garden and Research Institute (JNTBGRI)**, Palode, consisting of E.S. Santhosh Kumar, S. Shailajakumari, A.K. Sreekala and R. Prakash Kumar (director, JNTBGRI) and Parthipan B. of S.T. Puccho College, Nagercoil.

About Sida keralensis :

- Sida keralensis is an **erect branched subshrub**, rising to a top of 40-80 cm.
- The **stems** are **greenish or barely purple-tinged.**
- It has **2 mm-long, brownish-black seeds** and hanging yellow flowers.
- The **species is called after the State of Kerala.**

Note :

- The genus Sida has about **250 species** distributed within the tropical and sub-tropical areas, of which 22 will be present in India.

Important Rankings and Indexes

SDG India Index for 2020-21 : Kerala Tops; Released by NITI Aayog

- On June 03, 2021, NITI Aayog launched the **third edition of the Sustainable Development Goals (SDG) India Index and Dashboard 2020-21.**
- **Kerala retained the top spot in 2021 SDG India Index**
- In Union Territories **Chandigarh Topped Followed by Delhi & Puducherry.**
- The theme of SDG India Index and Dashboard 2020-21 : **Partnerships in the Decade of Action.**
